Justice Statement

In accordance with Federal law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, disability, and reprisal or retaliation for prior civil rights activity. (Not all prohibited bases apply to all programs.)

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, and American Sign Language) should contact the responsible State or local Agency that administers the program or USDA's TARGET Center at 202-720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at 800-877-8339.

To file a program discrimination complaint, a complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form, which can be obtained online at <https://www.ocio.usda.gov/document/ad-3027>, from any USDA office, by calling 866-632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by:
Mail: U.S. Department of Agriculture Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue SW, Washington, D.C. 20250-9410; or Fax: 833-256-1665 or 202-690-7442; or Email: program.intake@usda.gov.

Youth Accommodation Request

Iowa State University Extension and Outreach strives to make its programs and events accessible to all Iowans who are otherwise eligible to participate in the activities. This applies to local and state events/programs. Reasonable accommodations are often possible for persons with disabilities who wish to participate, so long as the accommodations do not fundamentally alter the nature of the program, cause undue financial burden, or otherwise cause a direct threat to the health or safety of others. Special Accommodation Request Forms are available at the Jefferson County Extension Office. Forms should be submitted in a timely manner prior to the event/activity.

All exhibitors (Clover Kids, 4-H, and FFA) and their families must follow both the Iowa 4-H Code of Conduct for Youth and Families and the Iowa Exhibitor Code of Ethics. Violation of either code may result in the exhibitor being prohibited from participating in the remainder of the fair and forfeiture of any premium earned.

Iowa 4-H Code of Conduct for Youth and Families

The Iowa 4-H Code of Conduct applies and will be enforced with 4-H youth, 4-H parents/guardians, and 4-H families.

- While participating in or attending a 4-H sponsored program (e.g. club meeting, project meeting, activity, event, learning opportunity).
- While participating in or attending a 4-H event or while on premises used for 4-H purposes (e.g. County Fair, State Fair, show ring, exhibit building, barn, food stand).
- While representing Iowa 4-H to the public.
- Additional programs, events, or opportunities may have additional rules and expectations.
- At all times throughout a 4-H youth's participation when behavior outside of the Iowa 4-H puts youth at risk or has the potential to put youth at risk.

The opportunity to participate in and/or volunteer with Iowa 4-H is a privilege and honor, not a right. All youth participants and parents/guardians supporting their child's participation in 4-H are expected to review and agree to abide by the Iowa 4-H Code of Conduct before becoming involved with Iowa 4-H.

1. I understand that the Iowa 4-H Youth Development program is a non-formal education program in which I have a choice to participate. I accept my responsibility to engage in program activities and to excuse myself from this program if it does not meet my personal learning objectives. I recognize the organization has the responsibility and authority to remove youth who are disruptive to the 4-H Youth Development program, violate the Iowa 4-H Code of Conduct, the standards of the 4-H Pledge and Motto or federal, state or local laws.
2. I accept my responsibility to represent the Iowa State University Extension and Outreach 4-H Youth Development program by holding myself to the standards of the 4-H pledge and motto. I will refrain from behavior that negatively represents myself, my family, my community, 4-H or Iowa State University. I will act in a respectful and responsible manner during all 4-H programs.
3. I acknowledge that the 4-H program utilizes competition related to project work as a tool for learning. I will ensure that my project exhibits are appropriate and respectful. I will demonstrate good sportsmanship, encourage this behavior in others, and not allow this behavior to detract from the learning experience. I will not let my personal desire to win overshadow the needs of the group.
4. I accept my personal responsibility to be informed and follow the policies, rules, and deadlines established by Iowa 4-H. I will not cheat, lie, knowingly furnish false information, deceive, or otherwise engage in dishonest, unethical or illegal behaviors. I will not encourage others to disregard or intentionally violate conditions of Iowa 4-H participation.
5. I will comply with directions of 4-H officials acting in the performance of their duties. I will not obstruct or disrupt any 4-H program or encourage others to engage in such conduct. I understand that a judge's decision is final.
6. I will strive to be a positive role model. I will treat youth, parents, volunteers, extension and outreach staff, judges and others with respect, courtesy and consideration.

7. I will communicate (oral, written and electronic) in an open, honest, respectful manner in all situations involving the 4-H program. I will refrain from communication that is negative, offensive, destructive or hurtful to others. I will refrain from sharing private matters in a public group setting.
8. I will promote a spirit of inclusion and welcome participation of individuals from all backgrounds. I will not engage in or tolerate harassment in any form, (For example bullying, slander, put-downs, insults, taunting, name calling, yelling, profane language, sexual innuendos and other comments or hostile behaviors likely to offend, hurt or set a bad example).
9. I will ensure a safe environment for myself and others by not carelessly or intentionally harming youth or adults in any way: emotionally, mentally, physically, socially, verbally or non-verbally.
10. I will not possess, offer, or use tobacco, electronic smoking devices (including but not limited to e-cigs, vapes, juuls), alcohol or illegal substances. I will not attend 4-H programs under the influence of alcohol or any illegal substance.
11. I will respect the property of others. I will not use, abuse, or take another individual's personal belongings. I will not damage facilities.

Infractions to the Iowa 4-H Code of Conduct will be addressed by the Iowa 4-H Program, the local County Extension District, or their appointed representatives. Infractions to the Iowa 4-H Code of Conduct will result in consequences. The consequences may range from a verbal warning to the loss of privileges (e.g. participation at the event or future events, forfeiture of awards or other forms of recognition, forfeiture of positions of leadership, limitation on volunteer responsibilities) to full removal from the Iowa 4-H Program.

Iowa Exhibitor Youth Code of Ethics

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the Code of Ethics or allows another person (adult or peer) to talk them into violating the Code of Ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:

1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
2. All exhibits will be a true representation of my work. Any attempt to take credit for other's work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.
3. I will treat all people and animals with respect. I will provide appropriate care for animals.
4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.
5. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have met all withdrawal times for all medications, and be free of violative drug residue.

6. If any animal requires medical treatment while at the fair or exhibition, only the Official Fair Veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.
7. My animal's appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.
8. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.
9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the Premium Book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.
10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.
11. I am responsible for my exhibit and I will not allow others to violate this Code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this Code of Ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.
12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.
13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use.

I agree to conduct myself in an honest, ethical, and upstanding manner and I understand that disciplinary actions will result if these rules are violated. I understand that I am expected to represent the program in a positive manner. I have read, understand and agree to follow this Code of Ethics, and any other rules of competition of the fair or exhibition as printed in its Premium Book.

2025 Health Requirements for Exhibition of Livestock, Poultry, and Birds at a County 4-H/FFA Fair Exhibition

ANY EVIDENCE OF WARTS, RINGWORM, FOOT ROT, PINK EYE, DRAINING ABCESSES, OR ANY OTHER CONTAGIOUS OR INFECTIOUS CONDITION WILL ELIMINATE THE ANIMAL FROM THE SHOW.

No individual Certificate of Veterinary Inspection will be required on Iowa origin animals or poultry exhibited at County 4-H/FFA Fair, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. **(See under Dogs, Cats, and Pets for different requirement for Jefferson County Fair).** Swine are required to be inspected either before being unloaded or before leaving a designated isolation and inspection area (prior to mixing with any other pigs). All animals moving from out of state into an Iowa county 4-H/FFA Fair must meet Iowa Animal and Livestock Importation requirements. Each show must have an official veterinarian.

Quarantined animals or animals from quarantined herds cannot be exhibited.

Official identification listed on a Certificate of Veterinary Inspection required for all cattle and bison of any age **coming in from out of state** used for rodeos, recreational events, shows, and exhibitions.

Swine

All swine must originate from a herd or area not under quarantine and must be individually identified. All swine are required to have individual official identification. All 4-H and FFA tags bearing the US shield are official identification tags.

Swine originating outside of Iowa. All exhibitors must present a test record and Certificate of Veterinary Inspection that indicates that each swine has had a negative test for pseudorabies within 30 days prior to the show (individual show regulations may have more restrictive time restrictions), regardless of the status of the herd, and show individual official identification on test report. Electronic identification will not be considered official identification for exhibition purposes.

Swine exhibition requirements. "Swine exhibition" means an exhibit, demonstration, show, or competition involving an event on the state fairgrounds, a county fair, or other exhibition event. The sponsor of the exhibition must retain an Iowa licensed veterinarian to supervise the health of the swine at the exhibition location. The sponsor must electronically file the approved registration form and obtain approval from the state veterinarian at least 30 days before the event. The registration form includes the name of the exhibition and the address and telephone number of its location; the name, address, and telephone number of the veterinarian; and the date of the planned exhibition. Sales of swine will not be allowed unless the event has been registered and received approval from the state veterinarian 30 days prior to the event.

Swine exhibition report required. The sponsor of the swine exhibition shall electronically submit to the department the approved report form within five business days after the conclusion of the exhibition. The form includes the name of the exhibition and the address and telephone number of its location; the name, address, and telephone number of the veterinarian; the date that the exhibition occurred; the name, address, and telephone number of the owner of the swine; and the address and telephone number of the premises from which the swine was moved after the exhibition if such premises is a different premises.

Wethers less than 18 months of age are required to have an individual identification and a Scrapie tag may be used, but a Scrapie tag is not required.

Poultry and Birds

All poultry exhibited must come from U.S. Pullorum-Typhoid clean or equivalent flocks, or have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester. (SEE GENERAL SECTION 1.B) **Please note: Poultry purchased from a hatchery and raised for exhibition are not exempt from Pullorum-Typhoid testing requirements.**

However, "Market Classes" of poultry consigned to a slaughter establishment are exempt from the Salmonella testing requirements. "Market Classes" of poultry must be separated from all other poultry by a distance of ten or more feet and/or an eight-foot-high solid partition.

Dogs, Cats, and Pets

All dogs and cat exhibited must have a current rabies vaccination certificate. **In Jefferson County, all dogs, cats, and pets must have a Certificate of Individual Veterinary Inspection to present the day of the show.**

Farm Deer

Accredited veterinarians must be approved to administer tuberculosis tests on Cervidae. "Cervidae" means all animals belonging to the Cervidae family, and "CWD susceptible Cervidae" means whitetail deer, blacktail deer, mule deer, red deer, elk, and moose. Native Iowa Cervidae may be exhibited without other testing requirements when accompanied by a Certificate of Veterinary Inspection that lists individual official identification.

All Cervidae must have been part of the herd of origin for at least one year or were natural additions, or must have originated from a chronic wasting disease monitored or certified herd in which these animals have been kept for at least one year or were natural additions. Cervidae originating from a herd with a diagnosis, signs, epidemiological evidence, or area under quarantine for chronic wasting disease may not be exhibited. The following statement must appear on the Certificate of Veterinary Inspection:

"All Cervidae on this certificate have been part of the herd of origin for at least one year or were natural additions to this herd. There has been no diagnosis, signs, or epidemiological evidence of chronic wasting disease in this herd from the past year."

THE DECISION OF THE OFFICIAL SHOW VETERINARIAN WILL BE FINAL.

Jefferson County Behavior and Rule Management Policy and Grievance Process

When Iowa 4-H members participate in events, including the local county fair, there are rules and protocols in place to ensure safety and integrity for all participants. Sometimes, our 4-H members and/or families fail to abide by the Iowa Exhibitor Youth Code of Ethics, the Iowa 4-H Code of Conduct for Youth/Families, and/or event rules, which may lead to disciplinary action.

To ensure consistency and fairness, Jefferson County Extension follows a written process to respond to and resolve 4-H issues and complaints in a manner that teaches good character, life skills, and positive youth development.

Jefferson County Extension has a partnership agreement with the Jefferson County Fair Board. In the agreement, Extension has the ultimate authority and jurisdiction over the Jefferson County 4-H program; has final decision-making authority over rules and guidelines pertaining to all 4-H events and activities, including 4-H involvement in the Jefferson County Fair. School Boards have the ultimate authority and jurisdiction over the FFA Chapter at their corresponding school; have final decision-making authority over rules and guidelines pertaining to all FFA events and activities, including FFA involvement in the county fair, for their FFA members.

Infractions to the Iowa 4-H Code of Conduct will be addressed by the Iowa 4-H Program, the local County Extension District, or their appointed representatives. Infractions to the Iowa 4-H Code of Conduct will result in consequences. The consequences may range from a verbal warning to the loss of privileges (e.g., participation at the event or future events, forfeiture of awards or other forms of recognition, forfeiture of leadership positions, limitation on volunteer responsibilities) to full removal from the Iowa 4-H Program.

All judges, superintendents, staff, volunteers, and members of the Fair Board, Extension Council, and related committees shall be treated with courtesy, cooperation, and respect. No complaint will be considered based upon a complaint that a judge is incompetent. Decisions made by judges are final.

Grievance Procedure

1. Any Jefferson County Fair 4-H/FFA exhibitor and their parent or guardian may submit a complaint using the grievance procedure outlined in this policy.
2. Staff or event officials may have access to evidence or witness something themselves where an official grievance may not be necessary to address the situation.
3. Complaints regarding fair shows, events, or rules should first be brought to the attention of the department superintendent within 1 hour of the incident. If the department superintendent is unavailable or the complaint does not pertain to a specific department, the complaint should be brought to the attention of an Extension staff member (for 4-H exhibitors) or FFA Advisor (for FFA exhibitors). If a resolution cannot be reached, a formal, written grievance can be filed as outlined in this policy.
4. The burden of proof lies with the individual(s) filing the grievance. All complaints shall be in writing, filed at the Jefferson County Extension Office within 2 hour of the incidents, and accompanied by a \$25 cash deposit. If the complaint is validated or dropped by the complainant before the Grievance Committee meets, the complainant will have their deposit refunded to them. If the complaint is not validated, the deposit will be forfeited and become the property of Jefferson County Extension.
 - a. If testing costs are associated with the grievance, the individual(s) filing the grievance are responsible for paying the testing costs before the testing occurs. Testing costs may

involve an investment of \$200 or more. Testing costs can be estimated for the party filing the grievance, which must be paid up-front. If the complaint is validated, the person filing the grievance will be reimbursed, and the exhibitor in violation must cover the cost of the testing.

5. The written complaint shall be made using the grievance form available in the Jefferson County Extension Office or on the county fair webpage of the Jefferson County Extension website.
6. The Jefferson County Fair Grievance Committee will consider complaints filed. The committee will consist of two extension council members, two fair board members, and one Fairfield or Pekin Community School District representative if an FFA member is involved.
7. Iowa State University Extension and Outreach staff (county, field, and/or state) will be involved in the grievance process to ensure best practices are followed.
8. The parties for which the grievance has been filed against will be notified and allowed to attend a hearing with the Grievance Committee. This meeting will take place within 2 hours of the filing, with the exception of check-in/weigh-in time or show time; in that case, the meeting would then take place within 2 hours of the conclusion of check-in/weigh-in time or show time. The Grievance Committee will share pages 2-3 of the Grievance Form, as filed, with the exhibitor against whom the grievance is filed. The Grievance Committee will not provide Page 1 to the exhibitor; however, the complainant should not expect confidentiality throughout this process. All witness names will be listed on the Grievance Form and as such, will not be kept confidential.
9. Each party will be given 5 minutes to speak to the Grievance Committee during the hearing. All parties are expected to act civilly. All parties shall be prepared to provide documentation/evidence at the hearing. The Grievance Committee can terminate the process at any time based on failure to meet deadlines and/or the lack of evidence presented.
 - a. It is the choice of the individual(s) filing the complaint whether they are present at the hearing. If they choose not to be present, they forfeit their right to speak to the Grievance Committee and provide additional documentation/evidence.
10. After all relevant information is presented, the Grievance Committee will meet privately to discuss the issue and come to a decision within 7 calendar days of the hearing or receipt of the test results.
 - a. The degree of infraction will always be taken into consideration. Possible disciplinary actions include but are not limited to disqualifying the animal from a show, disqualifying the exhibitor from that year's fair participation (in all exhibits), withholding premiums and awards, or potential disqualification from future fair participation.
11. Committee representatives will notify all parties within one business day of the decision. After the initial communication, a formal decision letter will be mailed to all parties involved.

Appeals Procedure

1. Once a decision has been made regarding disciplinary action, the individual(s) shall have 14 calendar days from the date of the notification letter to appeal any disciplinary action.
2. The burden of proof lies with the individual(s) filing the appeal. All appeals shall be in writing and filed with the Jefferson County Extension Office.
3. The written appeal must include:
 - a. Names and phone numbers of the member and parent/guardian filing the appeal
 - b. Cause for appeal
 - c. Date and time of incident
 - d. Specific rule or action in question
 - e. Situation and documentation, which may include written documents, photos, or videos, etc.

- f. Additional persons the committee may contact for further clarification
 - g. Signature of the exhibitor and their parent or guardian filing the complaint
4. Appeals will be turned over to the appropriate decision-making authority: the Jefferson County Extension Council, the Jefferson County Fair Board, or the corresponding School Board. They shall promptly consider any and all appeals and their decision in the matter shall be final.

4-H and FFA General Animal Rules and Regulations

Also refer to individual department rules, [Iowa 4-H Code of Conduct for Youth and Families](#), [Iowa Exhibitor Youth Code of Ethics](#), and [State Health Requirements](#).

All exhibitors at the Jefferson County Fair agree to abide by all rules and regulations set forth in this fair book and also abide by any rulings made by the Jefferson County Extension Council and Jefferson County Fair Board not covered in this list, no exceptions.

The fair board will not be responsible for any injury to any exhibitor or exhibit.

This fair follows the requirements set forth in the 4-H 202 document- Animal Identification, Weighing, and Exhibition Requirements, found at <https://store.extension.iastate.edu/product/194>

An active Jefferson County 4-H member may exhibit in Jefferson County with their respective 4-H club. To qualify as an active 4-H member, youth must be officially enrolled in 4-H in Jefferson County by May 15 and have completed at least 6 hours of 4-H activity and given a presentation at a club meeting. Fairfield FFA and Pekin FFA members who are in good standing with their respective chapters can also exhibit.

Animal Ownership Requirements:

1. All animals must be identified by an individual 4-H/FFA member. When registration papers are involved, the papers must be in the 4-H/FFA member's name or show a logical family relationship.
2. Ownership and possession of the animal are required by May 15 of the current year.
3. Animals changing ownership or leasing after being identified for a project are ineligible to be exhibited for that year.
4. Exceptions for ownership: Horses have an official lease option as a project. Only showmanship, riding, or driving horses are eligible for lease; horses in halter/conformation classes cannot be leased and must be owned by the member or his or her immediate family (parents, sibling, guardians). Horses owned by distant family (aunts, uncles, cousins, or grandparents) are considered leased horses.
5. Exceptions to individual identification: Horse and dog project animals can be identified by more than one member provided the members are all 4-H or FFA members and are siblings. Sibling definition includes brother, sister, or step-sibling with one common parent/guardian. The same animals(s) cannot be identified by one sibling in 4-H and another sibling in FFA.

General Animal Rules

1. Proper identification must have been recorded on 4-H Online or with the Jefferson County Extension Office by the following deadlines:
 - a. Market Beef- winter weigh-in
 - b. Swine- spring identification day
 - c. Market Sheep and Market Goats- spring weigh-in
 - d. Breeding Beef, Bucket-Bottle Calves/Lambs/Goats, Dairy, Dogs, Pets, Cats, Horses, Poultry, Rabbits, Breeding Sheep, and Breeding Goats- May 15

Animal identifications must be completed by the deadline- no exceptions. Extraordinary forgiveness may be granted if a written request is received by the Extension Council by June 1st. This forgiveness applies to county fair animals only. No animals requiring a weigh-in or identification day attendance can be entered after the last county in the state has held their weigh-in/identification day.

2. RSVP's will be required from all exhibitors planning to attend beef, swine, or sheep & goat weigh-ins/identification days. This will be due approximately 1 week before weigh-in. Exhibitors are required to give the approximate number of animals they are bringing for county and/or state fair eligibility. Anyone who does not RSVP ahead of time will be required to wait until all exhibitors who have RSVP'd have weighed-in/identified and will only be allowed to weigh-in/identify if enough ear tags are left; if no tags are left, then the exhibitor must attend another county's weigh-in/identification day.
3. Exhibitors must notify the Extension Office immediately of any missing ear tags from weighed-in animals. A new tag will be issued and a second form or identification will be checked.
4. All exhibitors exhibiting swine, beef, sheep, dairy cattle/goats, meat goats, rabbits, or poultry in any classes must be YQCA certified. A copy of the YQCA certificate is due to the Extension Office by May 15.
5. All Clover Kids, 4-H, and FFA exhibits (livestock and static) are to be pre-entered into the appropriate classes on Fair Entry no later than 11:59 PM on June 10. Exhibits must be in the appropriate classes by the deadline. If an exhibitor needs to add animals, classes, or swap classes animals are entered into after the June 10 deadline, they must pay a \$100 late fee (only 1 fee per exhibitor per fair). There is a 7-day grace period for all additions or swapping. No animals or classes can be added or swapped after June 17 at 11:59 PM. All classes and animal entered are final at that time.
6. All Entry Fees are due to the Extension Office by June 11 at 4:30 PM. If this deadline falls on a day the office is not open, the deadline will be 4:30 PM on the next business day. Entry Fees are populated from Fair Entry and cannot be paid until after Fair Entry is complete. All Entry Fees should be made payable to the Jefferson County Fair Board but dropped off at the Extension Office. Fees are as follows:

7. For market animal species that have carcass scanning classes- entries must be made by the June 10 Fair Entry deadline. Only 1 market animal may be entered in a class per species. If an exhibitor wishes to have additional animals scanned for educational purposes, the exhibitor will need to pay for the scanning of those animals by the June 11 Fair Entry deadline.
8. After the June 10 Fair Entry deadline, no animal can be switched to another class, without paying the \$100 late fee. This include switching animals from breeding to market classes or vice versa.
9. All projects must be under the daily care and supervision of the exhibitor.

Show boxes cannot be placed with the animals. No feed storage allowed in the barns or designated tack locations.
14. All animals (except horses, dogs, cats, or pets) must weigh-in or check-in on Wednesday during their designated check-in or weigh-in time.
15. At fair weigh-ins or check-ins, exhibitors must present the original registration papers. No copies allowed. Those without necessary registration papers will be shown in the crossbred division. Tattoos will be checked.

16. There are no minimum weights for any animal species to exhibit in their classes. The judge will place each animal with the understanding that county fair is the ideal finish date for market animals.

Exhibitors are to wear blue jeans. This also applies to the auction. Note- special rules apply to horse and pony classes.
19. Substitute Exhibitor: All showing must be down by the 4-H/FFA member. In the case of sickness or excused absence, an exhibitor may select another 4-H/FFA member to show the exhibit. 21. No one is allowed in the show ring, except the 4-H/FFA members showing, superintendents, judges, ring leaders, show clerks, or persons designated by the superintendents.
22. All market animals can only be shown for one year. Exceptions: exhibitors can choose to keep their bottle calf, lamb, or goat, and bring them back next year.
23. Jefferson County Fitting and Show Preparation Rule: It is the intent that the 4-H/FFA member take responsibility for caring for and grooming his/her own animals. If assistance is needed, it should be aimed at helping the 4-H/FFA member learn new skills. This includes all grooming, fitting, and putting on equipment. This is for every species of animal. Any youth found in violation of this rule will be given a verbal warning. If additional violations occur, the exhibitor may be disqualified.
24. No colorant is allowed for any animal. Superintendents have the right to check for colorants. No icing or cold sleeves are permitted.

Herdsmanship Awards

The purpose of the Herdsmanship Awards is to promote neatness and cleanliness of stalls, alleyways, and livestock in the exhibit barns during county fair. Safety of visitors while in the barns, as well as exhibitors and livestock, will be emphasized. A special committee will rate livestock exhibitors on a 4-H club or FFA chapter basis during the fair. This committee will visit the livestock barns twice per day, unannounced, to evaluate each exhibitor's animals and exhibit area. Individual exhibitor ratings will be grouped on a club or chapter basis to determine a final rating. The judging of the exhibits by committee will be based primarily on cleanliness of alleys, stalls, pens, arrangement of exhibits, neatness, appearance of animals, staff cards, and education to the public about their exhibit.

- **General Course Information**
 - The course will be clearly marked with a start/finish line.
 - A dog's time starts whenever any part of the dog crosses the start line. Its time will end when any part of the dog crosses the finish line.
 - Each obstacle will be marked with a number. Handlers and dogs will be required to follow the course in numerical order.
 - Before the show begins, the handler will be allowed to walk through the course to become familiar with the course. The walk through is restricted to the handlers only and is limited to 10 minutes.
 - Food and toys are not permitted on the course.

- Handlers are not permitted to have whistles, stop-watches, fanny packs, or other training devices on the course.
- The handler may be on either side of the dog while running the course.
- **Obstacles**
 - **A-Frame:** Dogs must go up one side touching the contact zone on the up side with any part of one foot and down the other side in the direction designated by the judge. The dog must also touch the contact zone on the down side with any part of one foot prior to exiting the obstacle.
 - **Weave Poles:** The dogs must enter the weave poles by passing between poles #1 and #2 from the right to left. They must continue the sequence until they pass the last two poles. Missing one or more will be a 10-point penalty. The dog's left shoulder must enter on the right of the 1st pole.
 - **Pause Table:** The dogs must pause on the table for 5 seconds in either a sit or a down position, as specified by the judge at the beginning of the competition. The judge will do an oral count and will also give a signal to "go". If the dog breaks from the sit or down position the judge will stop counting and will only continue to counting when the dog returns to the proper position. When the judge says, "go", the handler may then release the dog and proceed.
 - **Open Tunnel:** The dogs must enter the end specified by the judge and exit the other end.
 - **Bar Jumps:** The dog must jump over the top bar, without displacing it, in the direction indicated by the judge.
 - **Tire Jumps:** The dogs must jump through the tire opening in the direction indicated by the judge, without knocking the tire/frame over.

 - A penalty consists of the loss of 5-10 points.
 - 10-point penalties (judge holds up to 2 hands) include not making contact in contact zones, not doing the obstacles in proper order or not completing an obstacle, the handler going over the obstacles with the dog, or the dog missing 1 or more weaves after 2 attempts. Obstacles may not be re-attempted, except the weave poles.
 - If a handler loses control of their dog while on the course, it will be considered a 10-point penalty.
 - 5-point penalties (judge holds up one hand) include: knocking down a jump bar, excessively guiding the dog with leash (max of 3 penalties), touching the dog, or touching the obstacle.
 - Failure to follow the judge's verbal instructions is a 5-point penalty.
 - Excessive or harsh commands or corrections will not be allowed. This will be a 5-point penalty.
 - The dog/handler team's run will be timed. A 5-point penalty will be given for going over the course time limit and an additional 5 points for each 15 seconds over the course time. After 60 seconds of additional time, the handler will be asked to leave the course immediately and will be given a 25-point time penalty and a 10-point penalty for each obstacle not completed.
 - Refusals or run-by's will not be faulted. A handler may redirect the dog to the obstacle.
 - The only penalty for breaking a sit or a down on the pause table is the extra time that accumulates when the count stops, and is not resumed, until the dog is back in position.

- The contact zone on the A-frame is colored by yellow at the start and end of the obstacle.
- Any dog that commits to a contact obstacle (A-frame) with all four paws must, for safety reasons, continue with the obstacle. Whether the obstacle is completed or if the dog jumps off, the dog and handler must do on to the next obstacle and may not attempt that obstacle again.
- If the judge determines that a dog is no longer working with the handler, the team will be excused from the course. No score will be given. (DQ)
- Unsportsmanlike conduct will not be tolerated. This will be a disqualifying penalty, and the handler and the dog will be excused from the competition with a DQ.

Halter classes are not automatically included in the high points but can be chosen by the exhibitor as part of their high point selections. 15. No assistance is allowed to approach or enter the ring. If any assistance, including but not limited to being led by any person, led or pushed by another horse, is given, the horse and rider will be disqualified.

Ultimate Showmanship Show

Sunday, June 30 at 1:00 PM- Show Arena; Check-in Starting at Noon

The Ultimate Showmanship Show is hosted by Southeast Iowa Youth Livestock Supporters. If you have any questions regarding this show, please reach out to one of the Southeast Iowa Youth Livestock Supporter Committee members. Adult members: Amy White, Makenna Myers, Rebecca Clemons, Gretchen McLain, Ashlynn Lingle, Todd Woodburn, Jo Heidt, Katie Johnson, and Josh White. Youth members: Emily White, Sydney Stremsterfer, Lauren White Copper McLain, and Jacob White

1. Members will have the opportunity to show four species during this show: Sheep, Goats, Swine, and Cattle. This show will give members the opportunity to show species that they may not have had the opportunity to show before. It is our hope that this opportunity will spark an interest in another species that they might consider showing in the future.
2. You do not have to show one of the above listed species at the Jefferson County Fair to be able to enter the show. Any 4-H/FFA member who is in grades 4-12 that exhibits a project at the 2025 Jefferson County Fair is eligible to enter this show.
3. If a member shows one of the four species mentioned above during the 4-H/FFA show, they will show their own animal during this show. If the member does not show one of the above species, they will work with another 4-H/FFA member to borrow an animal to show.
4. It is our hope that we will see 4-H/FFA members mentoring each other prior to the fair and during the fair, teaching each other how to show their animals.
5. Age Divisions- Grades are determined by the 2024-2025 school year:
 - a. Senior (10th-12th grade)
 - b. Intermediate (7th-9th grade)
 - c. Junior (4th-6th grade)
6. All participants will receive a shirt to wear during the show.
7. An exhibitor number will be provided for each participant.
8. This will be a no-fit showmanship show but all animals should be clean upon entering the show ring.
9. During the show, the following criteria will be considered in determining the Overall Showman:
 - a. Exhibitor's ability to show and control the animals in the show ring.
 - b. Exhibitor's appearance in the show ring.
 - c. Exhibitor's attitude toward animals and judge.
10. The top five of each class for each species will be recognized. Exhibitors will receive points based on their placing in each class. The exhibitor with the highest number of points will be the Overall Ultimate Showman. If there is a tie in points, the youth that showed all 4 species will be the winner. If there remains a tie, the youth with the most 1st place wins will be the winner. Following that, the judge will break all ties.
11. The Overall Grand and Reserve Showmanship winner will receive an award along with the top three in each age division.
12. Any member that chooses to participate in the show must attend a mandatory check-in meeting at noon on the day of the show. Each participant must write a thank you card to the sponsors to be eligible to show.
13. The show order will be by age division starting with the Seniors, Intermediates, then Juniors.

14. An initial sign-up for the show will occur prior to the fair. Sign-up can be completed by submitting the Google Doc sign-up form. Sign-up will also occur on Wednesday of the fair during weigh-in. The sign-up deadline is noon on the day of the show.

2. All 4-H/FFA members must wear their official Jefferson County 4-H/FFA t-shirt in the sale ring.

4. Any 4-H or FFA member (not Clover Kid) that exhibits any animal at the current Jefferson County Fair may enter the auction.
5. You do not need to sell an animal at the market animal bid after the show to be eligible to sell in the premium auction. (i.e. You can take all your animals home after the fair and still be eligible for the premium auction.)
6. Exhibitors are encouraged to be creative. You may create a poster about your animal, carry your banner and/or ribbons with you in the ring, or otherwise create a showcase of your project.
7. In order to participate, exhibitors must be present during the auction in the ring.
8. Each exhibitor can enter the Premium Auction one time, regardless of the number of animal species they exhibit during fair. All awards an exhibitor receives for all animal species will be recognized at the same time when that exhibitor enters the ring.
9. Exhibitors are required to sign up for the Premium Auction during the Fair Entry process, due June 10.

The fair board will not be responsible for any injury to any exhibitor or exhibit. The Jefferson County Fair Board and the Jefferson County Extension Staff will use diligence to ensure the safety of all articles exhibited but will not be responsible for damage or loss by fire, theft, etc. Exhibitors should not exhibit small items that have special meaning or historical significance as the exhibit or part of the exhibit.

Fair Entry Registration

All Clover Kids, 4-H, and FFA exhibits (animals and static) are to be pre-entered into the appropriate divisions/classes on Fair Entry no later than 11:59 PM on June 10. For static exhibits, this means that the maximum number of projects an exhibitor will bring to fair, per division, must be entered into Fair Entry by the deadline. The static divisions are: Animals, Agriculture and Natural Resources, Creative Arts, Family and Consumer Sciences, Personal Development, and Science, Engineering, and Technology. An example would be: the total number of Family and Consumer Science projects must be entered (which is the division level); the number of exhibits within classes of the division, such as Food and Nutrition: Prepared Food Products, Home Improvement, and Sewing and Needle Arts, do not have to be entered, as long as the total number of projects brought to judging day does not exceed the total number of project originally entered into Fair Entry within the division. There are no entry fees for static exhibits.

If an exhibitor needs to add projects or switch the divisions entered into after the June 10 deadline, they must pay a \$100 late fee (only 1 fee per exhibitor per fair). There is a 7-day grace period for all additions and swapping (June 11-17, with paying the late fee). No entries can be added or swapped after June 17 at 11:59 PM. All entry numbers are final at that time.

Any static project may be switched on judging day from one class or division to another upon decision of Extension staff, Superintendents, or judges to ensure projects are in the appropriate classes.

- The purpose of this class is to encourage the construction of a personal garment or outfit.
- Consideration is given to fit, color, style, suitability, quality of construction, stage presentation, and required care.
- Youth participants will model a garment or outfit they constructed, hand-knitted, machine-knitted, or crocheted during the current 4-H year.
- A garment or outfit consists of one to three pieces such as, but not limited to, party clothes, tailored suits, vest, slacks, shirt, skirt, active sportswear, and/or coats.
- Blouses, shirts, and sweaters are usually considered garments. If they are used to complete an outfit, they may be constructed or selected.
- All other accessories and undergarments may be constructed or selected.

Clothing Selection Class 12200

- The purpose of this class is to select and/or purchase an outfit that represents the 4-H member's goal or intended use for the selected outfit.
- Judging is based on fit, color, style, suitability, quality and construction features, stage presentation, required care, and cost comparison.
- There is no consideration in the judging on the amount spent, only in the process of record keeping and reflection on the cost of the individual items as a part of the process.
- Outfits may be purchased at a department store, boutique, online store, sidewalk sales, retail shops, or mall stores. Outfits may also be purchased at garage sales or other secondhand venues at any price point. Outfits may be gifts, hand-me-downs, relative or friend's modern or vintage clothing, or existing personal clothing, as long as the 4-H member selected the item as part of this specific outfit for the stated purpose.
- Home-sewn clothing that was not sewn specifically for the participant are acceptable, such as purchases from a used clothing store.

\$20 Challenge Class 12300

- This class is designed to expand the 4-H member's shopping experience to shopping venues emphasizing recycling, reducing, and reusing. Outfits must be purchased at a garage sale, consignment store, thrift store, secondhand store, or similar place.
- Online venues are allowed and must be second-hand in nature. Shipping and handling are not included in the total calculations.
- Traditional shopping venues may not be used, regardless of a low regular or sale price. Hand-me-downs or clothing as gifts do not qualify for this class.
- Twenty dollars is the purchase price limit including tax. However, some secondhand stores and venues do not typically charge sales tax.
- Receipt(s) for every item included as a part of the calculated total must be submitted with the entry. A garage sale receipt can be a piece of paper with the name of the

location such as “Jane Doe garage sale”, date, amount paid, and signature of person selling at the garage sale. If the outfit was free at a garage sale, “free” can be listed on the report form and on the receipt. Failure to provide receipts will be reflected in the evaluation.

- An outfit consists of major clothing pieces such as a shirt, sweater, jacket, and pants and/or a dress. Shoes, undergarments, and accessories are not included in the \$20 purchase price limit.
- Alterations are permitted to achieve a desired look or fit.
- There are no additional considerations for an outfit that totals less than \$20.
- The outfit pieces should be purchased to meet the 4-H member’s goal or intended use for the purchased outfit, and the 4-H member should have had an experience in choosing shopping alternatives, evaluating fit, quality and construction features, price, and cost comparison.

Innovative Design Class 12400

- The purpose of this class is to encourage creativity and out-of-the-box thinking when creating an outfit.
- These designs can be theatrical costumes, cosplay, wearable technology, sustainable/upcycled fashion, accessible fashion, and/or outfits that use unconventional materials.
- The outfit must be showcased as a worn garment modeled by the exhibitor or by the individual that it was designed for.
- Exhibitors may make their garment entirely, or permanently alter the silhouette of pre-existing materials through some method of permanent alteration or addition.
- Consideration is given to originality and innovation.

Dutch Oven Gathering (D.O.G.)

Coordinator: Richard Heald (641) 919-6418 or Kortney Heald (641) 919-3820

Held Sunday, June 29 at the Jefferson County Fairgrounds. 8 AM- Set-up and Meeting; 11 AM- Public Taste and See

This is a non-garnishment Dutch Oven gathering. Do not use any extra garnishes to add foo foo to your baked item (make it “pretty” or cover up mistakes). Judging will strictly be based on the natural appearance of the baked item and taste. There will be two categories- brunch and dessert. You may choose to participate in either or both categories. Participation gifts will be given to all teams that enter. Cash and other prizes will be awarded for Judge’s Choices. One prize for best use of mystery ingredient will be awarded.

1. Team may consist of 1-3 people with at least one adult, if one is under 16.
2. Team shall provide all necessary cooking utensils, charcoal, tables, shade tent, and etc. Trash can and ash container will be provided.
3. There will be no use of electric appliances, camp stoves, etc. to assist in preparing or cooking your food.
4. No preparation is allowed before coming to the D.O.G. All dicing, slicing, chopping, mixing, and etc. must be done on site. This includes marinades and sauces.
5. Because this is a family-oriented event, we ask that competitors do not smoke or consume alcohol during the event. Be respectful in language and actions, please.
6. At least one team member must be in cooking area at all times.
7. Everything prepared must be put out for tasting. Removing burnt or undercooked sections of food will lead to disqualification. The only exception is an abundance of sauce or gravy.
8. All food prepared must be served in the Dutch oven or on the DO lid.
9. Two recipes, listing ingredients used, will be required, so come prepared with them on a recipe card.
10. Each team should remember to use safe food practices in preparing and storing their food.
