

PDI ISX / X15 NEW ENGINE BLOCK | ZERO-HOUR CUMMINS BLOCK

PRODUCT DESCRIPTION:

PDI's ISX / X15 New Engine Block is engineered for customers who want to start with a brand-new foundation, not a remanufactured core with unknown history. Built from all-new high-strength castings and precision machined to exact specifications, this block delivers consistency, accuracy, and long-term durability for serious engine builds.

This block allows for a true zero-hour engine build, giving you the confidence of starting with a completely new engine foundation.

WARRANTY: 1 YEAR LIMITED WARRANTY

PRODUCT FEATURES:

- ▶ All-New High-Strength Cast Iron Casting
- ▶ Precision CNC Machined
- ▶ Zero-Hour Engine Foundation
- ▶ Eliminates Remanufactured Risk
