Missed Appointment Fee and Late Cancellation Fee Policy

I,	
The fee will only be waived if the appointment is cancelled with more than 24 hours' notice	
 is filled with another client or the roads are closed due to a weather emergency. 	
We would like to emphasize that there are generally no exceptions to the above policy. In other words, the policy applies even if there is a good reason, such as an emergency that requires you to cancel your appointment.	
It is the practice of this office to offer courtesy calls. These are done on a daily basis. However, there are times when, due to circumstances beyond our control, we do not have that opportunity. You are responsible for keeping your appointments. Please note that any messages left with the answering service are viewed as lest than 24 hours notice. Also, when canceling a Monday appointment you must phone by the appropriate time on Friday.	
I also understand that I am responsible for this \$50.00 fee and it is not billable to my insurance. I have discussed these fees with my therapist and fully understand them.

Billing Policy

Please be aware that co-payments, co-insurances, etcetera are due at the time of service. A \$5 (five dollar) billing fee will be added to your account if the time of service requirement is not met. If your insurance policy includes a deductible, you must pay the entire allowable fee at the time of service as well. The above billing fee applies if this requirement is not met. If your insurance company notifies us that your deductible has been met, your account will be credited the appropriate amount. If we are certain that your deductible has been met at the time of service, the appropriate co-payment or co-insurance applies.

All co-payments for services provided to a child are the responsibility of the person bringing the child to the visit, even if you have a separation or divorce agreement that states otherwise. It is up to you to work out financial responsibility with the other parent.

Please note that an additional fee will be added each month that the balance remains outstanding. For example, after two months the billing fee will be \$10.00 (ten dollars). Also, if co-pays and/or deductibles are not made at the time of service, additional visits may not be scheduled and/or future appointments may be office cancelled.

Please be aware that if, at any time, there is a *change of insurance*, our billing office must be notified of the new insurance information *at least* 3 days prior to your next scheduled appointment. If new insurance information is received at the time of your appointment, the appointment will be considered self-pay until the insurance is verified by our billing office. Not all therapists participate with every insurance plan and some plans require pre-authorization in order for the insurance company to reimburse for services provided.

. If you have any further questions, please feel free to contact our billing office at (716)837-6705, option 4				
Monday through Friday from 9am to 4pm.
