Position Title: Woodland Regional Park Preserve Horticultural Intern

Founded in 2002, Tuleyome is a regional non-profit organization headquartered in Woodland, CA, with footprints throughout the Berryessa Snow Mountain National Monument Region. Tuleyome means “deep home place” representing our organization’s deep connection to our environment, our communities and our regional lands. ***Tuleyome’s mission is to engage in advocacy and active stewardship with diverse communities to conserve, enhance, restore and enjoy the lands in the region.***

Position Description

Tuleyome is seeking highly motivated individuals to serve as 10-week Horticultural Interns at Woodland Regional Park Preserve. The Horticultural Interns will work with Tuleyome staff, volunteers, and partners on ongoing native plant restoration and weed management efforts at Woodland Regional Park Preserve (The Preserve). The Preserve is a new nature preserve, jointly developed by Tuleyome, the City of Woodland, and other community partners, that opened to the public in May 2025.

The ideal candidate would have experience, either through coursework or prior work experience, with landscaping, horticulture, or working with California native plants. They would have good communication and interpersonal skills, the ability to work with people from diverse backgrounds, and a willingness to do physical work including, but not limited to, planting, watering, mulching, and weeding with both hand and power tools.

Position Objectives

- Assist with native plant restoration and weed management efforts at Woodland Regional Park Preserve
- Produce graphical guides for use by volunteers
- Learn best practices for managing native plant landscapes
- Gain insights into the world of conservation non-profits and develop transferable skills for future careers

Qualifications

- Current college student with coursework in applied plant sciences, for example horticulture, weed management, plant taxonomy and identification, California floristics, plant ecology, plant diversity, or landscape architecture.
- Ability to work for 3 hours per week during the period of the internship, with availability to work on the weekends.
- Must have reliable transportation to get to the Tuleyome offices in Woodland and to the Preserve.
- Willing to do physical work including, but not limited to planting, watering, mulching, and weeding with both hand and power tools.
- Team player with a willingness to ask questions and learn on the job

Salary Range and Benefits

This is an unpaid internship. Benefits are not included. We are willing to work with students for course credit.

To Apply

Send a cover letter and resume to information@tuleyome.org. No phone calls, please.

Tuleyome will review resumes as received. The position will remain open until filled.

Tuleyome is an equal opportunity employer and does not discriminate on the basis of race, color, age, ethnicity, religion, national origin, pregnancy, sexual orientation, gender identity, genetic information, sex, marital status, disability, or status as a U.S. Veteran.
