WHY CHOOSE DALE RANCK CREMATION & FUNERAL CARE?

An Open Letter to Our Community,

My name is Mark Strobel. As a licensed funeral director and Certified Celebrant, I work with families to create a special ceremony that can reflect the personality and lifestyle of the individual while recognizing how they touched the lives of others. *Plan a ceremony that is just right for you.* I can help.

SATISFACTION GUARANTEED: Since 1989, our family owned company has provided a written guarantee. **If you are not completely satisfied with any of our professional services or facilities, you will not be charged for that item of service.** *"We take the risk out of selecting a funeral home."*

CREMATION: If you are interested in cremation, the ultimate peace of mind and flexibility is with us. Your loved one never leaves our care. I am a Certified Crematory Operator and my associates personally perform the cremation so we know whose ashes are in the urn. Embalming is NOT required. Each of the over 9,000 cremations our family owned company has handled were performed individually and we return 100% of the recoverable ashes. **If you wish**, you may witness the entire process. You can inspect our crematory anytime or, at your convenience, take a Google tour at HeffnerCare.com. *You can have a viewing before cremation and you do NOT need to purchase or rent a casket.* I will gladly explain all the cremation options. Request our new brochure, **18 REASONS FAMILIES CHOOSE US FOR CREMATION.**

PRE-PLANNING: I would be honored to help you preplan your cremation or funeral service. You will find it is a good feeling to know your wishes will be honored and that your family will have no doubts. You can preplan *with or without prepayment*. If you choose to pre-pay, we have a price guaranteed pre-plan option. For pre-planning, we offer affordable monthly payment plans. For people under hospice care, we offer a 6 month price guaranteed pre-plan and pre-payment is NOT required. We also offer *free in home consultation*. Just give us a call and tell us what is best for you.

VETERANS BENEFITS: Honorably discharged Veterans, their spouses and minor children are entitled to receive final expense benefits, **all FREE**. Veterans' benefits include cemetery property at a national cemetery, perpetual care, opening and closing of the grave, concrete outer burial container, bronze or granite marker, a flag to drape the Veteran's casket, a Presidential Certificate and more. Bring us the DD-214. **At Dale Ranck we take care of all the paperwork.** I would be happy to personally help you secure the final expense benefits that you and your family are entitled to receive.

PEACE OF MIND, ECONOMY AND PERSONAL CHOICE are the reasons people pre-plan. It is a good feeling to know your affairs are in order and will not be a burden on your family. Planning ahead controls costs and avoids emotional overspending. Expressing your wishes enables you to have it your way and avoid family disagreements over what you would have wanted. Whatever reason is most important to you, we are here to help with choices and options to consider **before** an emergency. Our Liberty Funeral PlanSM packages are described on the other side of this page. Shop and compare. *A fine funeral need not be costly.*

Respectfully,

Mark Strobel
