Volunteer Opportunities 2022-2023

Overview

We invite you to share your time and talents as a volunteer this year! Volunteering is a great way to meet other parents, stay connected to Holy Family, and become more engaged in your child's educational experience! Here is a list of some exciting volunteer opportunities for this school year! (Note that all events are subject to change.)

Homeroom Parent

Become a homeroom parent and engage with your child's classroom in a special way! Homeroom parents will assist teachers on field trips; plan and coordinate classroom parties for Halloween, Christmas and Valentine's Day; supervise classrooms if teachers are needed for meetings; facilitate certain communications between HSA, teachers and parents; attend HSA meetings; and assist with events as needed! Homeroom parents will also coordinate and complete a class project involving their grade level (if your grade has two classes, one coordinated project will be completed), as well as organize a themed basket. The class project and basket will be auctioned at the Home and School Gala in the Spring! If there is more than one Homeroom Parent per classroom (which would be great), a Homeroom Chair will be selected to coordinate the homeroom parents!

A special note to our 7th Grade parents: Our Homeroom Volunteers for our 7th Grade class will also plan the 8th Grade Graduation Party in June 2023! This is a wonderful way to honor both 8th grade students and families! Please consider volunteering for this long-standing tradition!
