

Holy Family Home and School Alliance

Thank You Homeroom Parents / Classroom Contributions

This year we have a wonderful group of volunteers that have so graciously agreed to donate their time and talents to each of our classrooms by serving as a Homeroom Parent. The Home and School Alliance would like to say THANK YOU to these amazing parents and guardians for your commitment to Holy Family School and to our students!

Homeroom Parents have many exciting responsibilities throughout the year that enhance your student(s) experience at Holy Family! One of these responsibilities includes coordinating the classroom parties throughout the year for Halloween, Christmas and Valentine's Day. The Homeroom Parents purchase the activities, games, prizes, food and drinks that help to make these parties extra special.

Each year, we ask that every student contribute to their classroom fund, which helps to pay for these expenses. If you are able, our suggested donation is \$20. However, we recognize that for some families this may be a big ask, so please know that any amount you are willing to donate is very much appreciated! It often happens that Homeroom Parents end up paying for certain supplies out of their own pockets when classroom funds are depleted, so we know that any amount (even \$5) would go a long way! Please keep in mind that your donations are for your child's/children's current classroom only and are not used in any other manner. Your Homeroom Parent(s) will coordinate with each classroom to collect these generous contributions.

Thank you for your continued support! Should you have any questions, please do not hesitate to reach out to a member of our Board!

Sincerely,

Holy Family Home and School Alliance Board
