

Did You Know?

You can earn money for your family and your school just by purchasing SCRIP gift cards???

This is how it works.....

For example.....Giant Eagle gives Holy Family School a 5% rebate on any gift card purchased through SCRIP. If a family bought \$100.00 of Giant Eagle gift cards a week for 52 weeks, Giant Eagle would give Holy Family School a 5% rebate of \$260.00.

$$52 \times \$100 = \$5200.00 \quad 5\% \text{ of that} = \$260$$

Holy Family School splits this rebate with each family....

You would receive 40% of that rebate or \$104.00

Each July school families who earn a minimum rebate of \$10 from the purchase of scrip receive their rebate check!

The Holy Family SCRIP program stocks **MANY** different gift cards. Each week a scrip order form comes home. If you send your order in Thursday morning with your child, your gift cards will come home that day or by the end of the week with your child.

So....**WHY wouldn't you want to do this????** By spending money you would already spend you can **assist both your wallet and the School!!**
