

2026 Residential Pre-Cyclone Clean-Up

The Darwin Waterfront Corporation will conduct its annual Pre-Cyclone Clean-Up for Waterfront residents in preparation for the upcoming cyclone season.

Clean-up period:

Wednesday 23 September through to Friday 9 October.

Residents may place eligible items in the designated clean-up area from **Wednesday 23 September through to Friday 9 October**.

The collection area will be located within the enclosure behind Fiddler's Green and will be clearly marked "**Residential Pre-Cyclone Clean-Up**." Residents are encouraged to dispose of items that may pose a safety risk during severe weather events.

Accepted items (hard rubbish only):

- Furniture
- Timber
- Whitegoods (e.g. fridges, freezers, toasters, BBQs, washing machines, dryers) — fridges and air conditioners must be degassed prior to disposal
- Building materials (e.g. bricks, steel)

Items not accepted:

- Garden waste
- Liquids of any kind (including in containers)
- Oil or grease
- Tyres
- Paint (unless fully hardened)
- Chemicals or hazardous materials
- Gas cylinders
- Asbestos
- Car bodies, parts, or batteries
- Commercial waste

All items must be placed within the designated area and will be removed on Friday 9 October at 4:00 pm.

For further information, please contact Darwin Waterfront Corporation on 8999 5155 or email dwcoperations@nt.gov.au.
