From the Foundation:

The second round of scholarship applications are currently open, providing direct monetary support opportunities to our collegiate members who need it most. We were proud to award two scholarships for the fall semester this year, and plan to do the same for this spring semester! If you're a member, check your email for more information on applying.

We have a [givelively](#) donor page, every donation helps give us more opportunities to support the members of Gamma Rho Lambda.

We are also hard at work on our own website, so stay tuned for a brand new website soon! In the meantime feel free to check out our page on the Gamma Rho Lambda website for the latest updates.

Founders' Day 2025

This year our siblings celebrate 22 years of Gamma Rho Lambda! We interviewed 7 Founders from across the nation about their experiences. Thank you to Charlie, Sarah, Kyrra, April, Sam, Lindsey, and Alyssa for contributing your stories and advice! We decided to share our Founders' Day theme with our 2026 Convention theme to really focus in on what's most important - the bonds of siblinghood we share.

Save the date and start practicing your friendship bracelet skills because GRL Convention 2026 is coming to Bloomington, Minnesota from June 25 to June 28, 2026! We're so excited to finally reconnect and renew the bonds of siblinghood with all our members. All Active members are encouraged to join us and each Chapter and Provisional Chapter must send 2 delegates. Looking to sponsor convention? Contact us!

MRU Writing brings a little bit of magic to your brand. I primarily support small-to medium-sized businesses and nonprofits run by marginalized and/or traditionally disenfranchised groups, offering affordable marketing and brand coaching support!

Editor's Note

I know this year has been full of hardships for our members as many of us are experiencing increased discrimination, hostile environments, and financial strain. This makes every moment of connection, support, and success all the more cherished. I am so grateful to help create an environment that is inclusive, kind, hardworking, and fun for all of our members. I want to thank each of you, whether you are a member of Gamma Rho Lambda, a supporter, a friend, or are just learning about us for the first time, for everything you do in your daily lives to make the world a better place. I know this year has had a lot of challenges, but it has also had a lot of successes. The future will be bright because I know each one of you will continue to work every day to make the future of both Gamma Rho Lambda and the world a better place. Remember to lean on each other, and know there is always a home for you in our community. Thank you for being a part of it.

The Foundation is also running a merch sale, and all proceeds up to \$10,000 will be matched by our Founding Mothers! Though we are separate organizations, the Foundation directly supports members of GRL, so your purchase will make a direct impact on our membership. These shirts can be found on their merch [site](#)! They also have a general fundraising site, found [here](#).
