

Skyline Soccer Association Capital Campaign Overview & Pledge Form

A Home for Development. A Hub for Community.

Skyline Soccer Association is launching a transformative capital campaign to raise \$2.2 million over two years to support the development of our first permanent facility at 2518 S. Delaware Street in Denver. This facility represents a historic milestone for our club: the opportunity to own and operate our own turf fields—unlocking year-round access for players, maximizing field availability, and ensuring our programs thrive regardless of weather or scheduling conflicts.

The building will include over 11,000 sq. ft. of indoor turf, essential administrative and coaching office space, and a future phase expansion to add 4,000 sq. ft of outdoor turf. But more importantly, owning our own training hub means we have additional resources due to the limitations and unpredictability of city field access. It gives Skyline full control over scheduling, year round programming, and coach education—so our players can train more consistently and our families can rely on high-quality experiences.

Your Support Builds Our Future As a member of our Skyline community, you are invited to make a gift or multi-year pledge to help us:

- **Install indoor turf (\$80,000) and safety netting (\$60,000) for year-round training and player development**
- **Build out office and training room spaces to support our coaching and administrative staff (\$350,000+)**
- **Outdoor turf (\$150,000) for additional training and player growth**
- **Pay off our building loan (\$1.2 mil)**

This is more than a facility—it's the foundation for this and the next generation of Skyline Soccer in Denver.

Skyline Capital Campaign Pledge Form

Name: _____

Address: _____

Phone: _____

Email: _____

I/we are pleased to support Skyline Soccer Association's Capital Campaign with a total commitment of:

\$_____ (total amount)

To be paid as:

Payment Schedule:

- **Amount:** \$_____
- **Frequency:** ☐ Monthly ☐ Quarterly ☐ Annually
- **First Payment Date:** _____

Method of Payment:

Recognition Name(s) for Donor Wall (if applicable):

Signature: _____
