

## Adela Chair

**Delivery: 12-14 weeks**

The traditional ideal of an aluminium and wood chair is reworked in the Adela. Softly rounded edges and a little broader on all sides for extra comfort, this stackable chair with a classic look is a shoo-in for all outdoor terraces. Strong and durable teak or Artwood is used for its backrest and seat. Adela's simple design easily makes it an all-purpose chair, even indoors.
