Bebo - Sled Frame

Delivery: 12-14 weeks

The Bebo was conceived from the perceptive intuition of trends to come. They both share the use of a moulded foam seat for superb comfort, but their designs are like night and day. The Bebo is an expression of rounded and sensual flair coming from designs of the fifties and sixties, which are making a trendy comeback.

Specifications

Product Height – 792mm

Seat Height – 446mm

Product Width – 500mm

Product Depth – 560mm

Made In: China

Weight – 0.0kg

Features

Suitable for commercial use
