AUGUST 2025

## *A message from Jo..*

Last month of winter – yay – hasn't it been a cold and windy one this year? I know everyone's heating systems have had a workout during July, I wonder what August will bring.

July at Stan Cork Machinery saw us celebrating a 21<sup>st</sup> Birthday – we partied with “our princess” Paris, both at work and with friends and family. The following week we celebrated the 30<sup>th</sup> Birthday of Mathew Rose – if you follow our Facebook page, you will think all we do here is celebrate birthdays and eat cake! Not a bad past-time, I guess! Happy Birthday to both Paris and Mathew. Oh.... to be their ages again!

Please check out our tractor specials this month – we are overstocked and running out of space, so we are offering some extra special pricing – we have a wide range of models so please give us a call. Our major sellers in July – would you believe – were Zero Turn Mowers! Even though the frosts have slowed things down, the grass keeps growing and needs mowing. It's funny that no matter the weather conditions, the weeds still grow. Our lawn has a lovely crop of dandelions – I may have to harvest them and make dandelion tea.

Both Lucas Pitkin and Oliver Sampson are at TAFE in Tamworth this week – hope they took their winter woollies as Tamworth can be very cold in winter (and extremely hot in summer – my memories of attending Country Music Week, many years ago).

Gary returned from his annual fishing trip this year, with a wet bum and very few fish. In all the years he has been going, I think this year was the worst weather they have ever experienced. Cold, wet, and windy – exactly the right conditions for fishing 😊

Ag-Quip is on again in August – starting on the 19<sup>th</sup> for 3 days. Most of our suppliers display at this major Field Day and it is always good to go and see what is on offer.

Also, an early reminder that Father's Day is on Sunday 7<sup>th</sup> September – the TV advertising will soon start – we may just have something here that the special person in your life can't live without.

I will see you in the Spring!

Until next month... *Jo*
