JUNE 2026

A message from Jo..

Well, here we are againwintertime! Let's hope we don't have too many severe frosts for a while, and the ground can get some of the benefits of the rain we had during May. It is so good to see the dams filling up again and some happy faces. Although I must admit it doesn't take long before we are complaining about mud, getting drenched, not being able to get the washing dry, the lawn needing mowing....the list goes on. Areas to the west of us still need rain badly, so let's hope the "Rain God's" find a way there.

May was an exciting and busy one for me, having celebrated an extra special birthday and getting very spoiled by family and friends. Paris re-created my mum's "Ginger Fluff Sponge" for morning tea on the day, and she certainly did my mum proud with her first attempt. It was a long-held tradition on "0" birthdays that I requested my mum to make me her specialty cake. Paris' decorations had to be seen to be believed as well. Thank you to everyone that acknowledged the milestone with phone calls, messages, emails, texts, flowers, gifts and coming in to work on the day, I appreciate everything that was done to make my day – or should I say, month – so special. I was still celebrating as the month came to an end. It makes one realise how important and precious, friends and family (and customers) are.

As we draw to the end of another Financial Year, I will again remind you to be prepared and make the most of any Taxation assistance available. The Instant Asset Write-Off may be of benefit to you – ask your financial adviser or accountant for advice. We have a good range of tractors and equipment for immediate delivery, and if we don't have something in stock, we will do our best to get it before the 30th June. Kubota Finance is offering extra special finance deals as well. Quite a few people have taken advantage of the low interest rate.

Peter had a few days off during May helping family and visiting grandchildren, Lucas has spent the last week at TAFE in Tamworth.

We wish Bill Reynolds the best in his new endeavors, Bill left SCM during May.

We will be closed on Monday 8th June to celebrate the King's Birthday. Back to work on Tuesday 9th.

We would appreciate all outstanding and overdue accounts be paid before the EOFY. If you are having difficulty, please give me a call and we can make some arrangements.

Until next month..... *Jo*
