

What is it?

Vision insurance covers preventative care, such as annual exams, and delivers preferred pricing for additional needs like glasses, contacts, and more.

Why is this coverage valuable?

When you have vision coverage, you're protecting your eyes and your budget.

Plan features

In-network versus out-of-network coverage

- To find a Spectera vision network provider close to work or home, call **800-440-8453** or follow a few easy steps online:
 - Visit **lvc.lfg.com**.
 - On the left side of the page, enter a ZIP code or street address in the **Provider Quick Search** box.
 - Select the **Search** button to display a list of providers near you.
- If you choose an out-of-network provider, you pay the provider in full and submit a claim for reimbursement of covered services and products.
- Lincoln's exclusive in-network partnership with Warby Parker lets employees use their annual allowances to purchase eyeglass lenses and/or contact lenses from this convenient online and retail vendor.

Covered contact lens selection

- *Lincoln VisionConnect* gives you the option to choose contact lenses instead of eyeglass lenses.
- *Lincoln VisionConnect* features a covered contact lens selection benefit.
 - This benefit covers fitting and evaluation fees, up to four boxes of contact lenses (depending on the prescription), and two follow-up visits.
 - To view your current covered contact lens choices, visit **lvc.lfg.com** or call **800-440-8453**.
 - The covered contact lens selection isn't available at 1-800 Contacts, Costco®, LensCrafters, Sam's Club®, Target, Walmart®, or Warby Parker locations.

Other contact lens options

A \$125 allowance is provided for all other contact lenses, and for contact lenses purchased at 1-800 Contacts, Costco, LensCrafters, Sam's Club, Target, Walmart, or Warby Parker, with no copay.

Note: This allowance doesn't include the cost of a fitting, evaluation, or follow-up.

Medically necessary contact lenses

Contact lenses are considered medically necessary at the discretion of the eye care provider and are covered 100% (after a low or no copay) when you choose an in-network provider.

Eyeglass frames

- *Lincoln VisionConnect* provides a \$130 retail frame allowance. This covers many of today's popular eyeglass frames.
- If the cost of the frames you choose exceeds \$130, you simply pay the remaining balance, which includes a discount of up to 30% at participating providers.
