

ANIMALS & HABITATS OF THE WORLD

Summer Programs for Elementary, Preschool & Toddler Students

Limited
Space
Available

Travel the world by safari without ever leaving Old Saybrook!

Each week we will focus our studies on a different continent, exploring the unique animals and habitats
• Learn About Animals and Habitats • Try New Games • Create Art & Crafts • Cooking & Baking

North America

June 29 - July 2

We will begin our adventure with North America, exploring the habitats and animals of Canada, the U.S., Mexico, Central America and even the islands of the Caribbean!

South America

July 6 - 9

Continuing our journey south we will be exploring South America. From the animals and habitats in the heat of Brazil to the cool mountains in Chile.

Asia

July 13 - 16

Ni-hao! This week we will explore the animals of Asia. As we arrive in Asia our senses are heightened as we notice the distinct difference in the sounds and smells of this area of the world.

Europe

July 20 - 23

This week we will explore the animals of the European continent. Located in the northern hemisphere, Europe's animals have unique methods of staying warm.

Africa

July 27 - 30

Join us on a safari through Africa. As we adventure to the savannah and then the desert and rain forest, there is a ton to explore.

Australia & Antarctica

August 3 - 6

Learn about the Great Barrier Reef, and discover all of the animals who live in Australia.

Antarctica is also rich in an abundance of wildlife! Learn about the animals and habitats on this freezing continent.
