Fall in Love with Nashville

*The Sound, the Stories &
the Spirit of Music City*

October 17 - 22, 2027

Fall in love with Nashville as the South glows with autumn color. At Louisville's Jack O'Lantern Spectacular, thousands of hand-carved pumpkins turn an October evening into a work of art. Aboard My Old Kentucky Dinner Train, lunch becomes part of the experience: settle into a vintage dining car and watch the Kentucky countryside and fall foliage roll past your window.

Nashville has its own kind of magic. Step inside Historic RCA Studio B, where Elvis Presley and Dolly Parton recorded, and visit the Ryman Auditorium, the Grand Ole Opry's former home. Explore the stories behind the songs at the Country Music Hall of Fame, then enjoy the music live at the Opry, Ole Red, Country Roads USA and aboard the General Jackson on the Cumberland River. Come fall in love with the scenery, the stories and the sound of Music City—join us this October.
