

Newport Mansions & Boston Pops

Newport knows how to dress for Christmas. Gilded Age mansions glow with candlelight, towering trees and lavish holiday décor, turning an already beautiful seaside city into something extraordinary. Wander through Marble House and The Elms at their most festive, then watch The Breakers sparkle after dark as its grounds come alive for the season.

In Boston, the holidays have a rhythm all their own. Historic streets dressed for the season lead to two treasured traditions—Boston Ballet's *The Nutcracker* and the Boston Pops Holiday Concert. Add High Tea overlooking Narragansett Bay, dramatic coastline and the unmistakable energy of Boston at Christmas, and this is the kind of holiday escape that makes you feel like Christmas has truly arrived. And we are so excited to share it with you.
