## Admission/Tuition Policies

### Admission & Tuition

Students are enrolled at Montiroots for the full academic year and summer program (August through July). New families must submit an online application to reserve a spot for their child. Once we receive the completed application and a \$100 application fee, your child's spot is reserved. The first tuition installment is due one week before the start of school. These fees are non-refundable.

### Withdrawals

The school may require a withdrawal if we cannot meet the student's academic, social, or emotional needs. In case of a severe incident, the child may be placed on 30-day probation or asked to withdraw immediately. A 30-day written notice is required for withdrawals, and tuition for those 30 days is still due. All fees are non-refundable.

### Discounts

- The second sibling receives a \$50/month tuition discount.
- 4% off if tuition is paid in full by August 1st, or 2% off if paid per semester by August 1st & January 1st.  
*Tuition must be paid by the due dates to receive discounts. No discounts will be given after the due dates.*

### Tuition Payments

Tuition is due the 28th of each month. If a payment is missed due to a holiday or absence, it's due the next school day. A \$50 fee will apply for returned checks.

### Refunds & Adjustments

There are no tuition refunds for illness, vacation, emergency/weather closures or withdrawal. If a child withdraws with 30 days' notice, tuition is due through those 30 days. The application fee, enrollment fee, snack fee, and materials fee are non-refundable.
