

Family activity:

As a family, discuss what you would do if you saw the empty tomb. Would you go in or run away? Would you be scared? Reflect on who you are as a believer . . . When you witness God in your life are you Mary—who seeks the council of others? Are you the one beloved by God who cautiously looks into the mystery of the tomb? Are you like Peter, who walks into the miracle of the tomb, discerning the wisdom being offered by God?

Happy Easter and may the Glory of the Passion and Resurrection of Jesus Christ continue to guide your family.

God bless and see you at Mass!
