## RETREAT INFORMATION

### 2025 Retreat Objectives

Our Catholic Retreats for Engaged Couples are designed by experts in the fields of marriage and family life and in collaboration with the Prepare & Enrich Program. The Prepare & Enrich Program blends years of research on what makes happy and fulfilling marriages with practical ways of living out our Catholic / Christian faith.

We believe marriage is a sacred vocation which calls couples to be mutually life-giving. Though we are Christian based, we work to respect all faith traditions.

Our retreats honor this belief. During the retreat we will reflect upon your choice to marry in the Church and to offer support to your marriage as you begin your life together. We will offer enrichment opportunities after the wedding as well.
