

Winter Clothing Drive

Starting Weekends November 1-2 and November 8-9

Once again Council of Catholic Women is inviting parishioners to assist us with donations towards our winter service drive .Salvation Army Service Center has been keeping communities warm by providing coats and winter accessories to all in need. We are asking for new or next to new coats in all sizes. Along with new socks, hats, mittens, scarves and gloves. Look for drop off baskets at St John's and the Parish Community Center.

Lending warmth to others leaves us with warm hearts.
