SERVICE

The degree to which we have loved is proportionate to the need to grieve. Routinely, we see co-workers and staff learning about the life of the person who died and creating healing moments to lift people up and lend meaning. Our facilities are warm and inviting, designed for hospitality and gatherings of almost any size. We publish an online obituary (at no charge), coordinate with the clergy/officiant, organize seating and sometimes parking, set up memorabilia and flowers, greet people as they arrive and provide memorial folders, usher as needed, manage the multi-media presentation of your photos/video vignettes, and provide service direction to ensure your wishes are observed. Our presence makes things much easier, especially important on one of the most difficult days of your life.

It is important to do this well. Thank you for allowing us to serve you and your family.

Respectfully, Your Christy-Smith Team.

Value

The renowned writer, Oscar Wilde, wrote of a man who “knows the price of everything and the value of nothing.” Believing that our clientele prefers to receive value rather than just a low price with commensurably lower quality, at Christy-Smith we focus on providing quality and excellence in everything we do. *Regardless of what you spend, our superior service quality is the same for all — we are here to help.*

We encourage you to speak openly about any financial hardship you are experiencing. We take pride in serving all who call our firm, including those with financial difficulties. We collaborate closely with the Community Action Agency, Iowa crime victim's assistance, the Veterans Administration, Social Security, and other potential sources of funding. We can make suggestions to keep your costs low.

Payment Policy

Christy-Smith Funeral Homes is a small business, and like many others in our community, out of necessity we operate on a cash basis, relying upon the families we serve for prompt payment. We understand there are those who may need a payment plan. Unfortunately the law does not allow us to fulfill the functions of a bank or other lending institution. Therefore, payment is expected at the time of arrangements.

We encourage your frank discussion of these matters with your funeral director, and we will attempt to assist you in any way possible.

Payment Options

Payment with cash, check or with an approved credit card. (Currently waving any credit card processing fees)

Pre-paid funeral arrangements with Christy-Smith Funeral Homes, subject to verification the policy is valid.

Assignment of Proceed of a Verified Life Insurance Policy. (additional fees apply)

Christy-Smith Funeral Homes is willing to accept the assignment of proceeds of a verified Life Insurance Policy for a cost of 5% of the amount assigned to Christy-Smith Funeral Homes. Our acceptance of this type of payment is dependent on the cooperation of the beneficiary and the insurance company. The insurance policy must be given to the funeral director for verification at arrangements. We must have the Insurance Company's complete cooperation in providing information to the beneficiary, amount of Death Benefit available, outstanding loans information, cooperation to claim forms in a timely manner, and their acceptance of our written assignment. The Insurance Company will send the balance of any proceeds directly to the beneficiary after the Insurance Company pays the funeral bill in full from the proceeds of the insurance policy. The purchaser must obtain a certified death certificate for each insurance policy.

* Due to the complexity and time involved, we are unable to accept payment from estates.

Advance Planning Assistance

We provide free assistance with advance planning. You have the option of locking in today's prices and funding your plan or simply placing your wishes on file and allowing costs to be paid at the time of need. Our Advance Planning Department can be reached at 712-276-7319.

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements. The "Service Purchase Agreement" will state the outer receptacle requirements of the cemetery requested. Prices may change without notice.

All interments using an outer burial container purchased through this funeral home must include an "installation/tent" fee. This fee is not a funeral home charge, but is the service charge from the selected vault company. Dukes Vault Company will have a service charge of \$595.00 per service. This service charge is a non-taxable cash accommodation.
