How Efficient is Your Heating System?

With our heating Energy Saving Agreement, we will provide a complete cleaning and inspection of your heating system in addition to oiling and adjusting the equipment when necessary. Regular maintenance of your HVAC unit will:

- Provide longer lasting equipment
- Reduce utility bills
- Reduce repairs
- Provide a more comfortable indoor environment
- Protect your investment

For more details on what our technicians perform during the seasonal energy saving tune-up, please visit our website at **www.bobsredtrucks.com/energy-savings-agreement**.

This agreement covers **inspection labor only**. Any extra service labor or any parts needed for replacement or repair will be billed to the customer. Agreement can be canceled if equipment is too old, if there is no access to the equipment or if access to the equipment becomes a safety issue.

Important Benefits:

- 24-hour emergency service (prioritized in the order the calls come in)
- Weekend emergency service available at regular rates for service agreement customers
- Priority scheduling
- 10% discount on any parts needed for repair
- **All billable service calls are to be paid at the time of service**

For additional details on the benefits of having an energy saving agreement with our company, please visit our website at **www.bobsredtrucks.com/energy-savings-agreement**.

To subscribe, please complete the online form or fill in the attached form by November 15, 2025. Upon receipt, our office will call to schedule an appointment to have your heating system inspected.

Please note, we reserve the right to reschedule appointments if there is a large volume of emergency calls on your scheduled day, if the work area is not properly cleared or if there is inclement weather.

Terms of Agreement: September 30, 2025 to March 30, 2026
