More Than a Sports Camp

The Williamsburg Sports Festival is a high-impact, one-day experience created for middle and high school student-athletes who want to grow as competitors.

Through elite sports training, motivational messages, and intentional conversations around character, leadership, and purpose, athletes are challenged to pursue excellence on and off the field.

THIS FESTIVAL IS HOSTED IN PARTNERSHIP WITH THE FELLOWSHIP OF CHRISTIAN ATHLETES.

FCA's approach is Christian in foundation and focused on character, leadership, and personal growth.

What Athletes Will Experience

Hands-on sports instruction led by elite coaches and athletes

Skills development, competition, and position specific drills

Instruction available for both male and female athletes in:

**SOCCER
FOOTBALL
BASEBALL
SOFTBALL
BASKETBALL**

A guided leadership and character session that includes faith-based discussion

Our goal is to meet athletes where they are—and walk with them long after the final whistle.

Why We're DIFFERENT

Many sports events focus solely on athletic performance.

The Williamsburg Sports Festival focuses on the whole athlete—skills, character, faith, leadership, and purpose.

By combining elite coaching with values-based mentorship rooted in FCA tradition, we create a transformational environment that impacts athletes on and off the field.
