

Plan ahead with **Pre-Trip Information.**

Take guesswork out of the itinerary.

As a Priority Health member, you have global emergency and travel assistance services through Assist America which includes pre-trip insights for any destination. Pre-Trip Information is available any time through our website or mobile app using your reference number.

By using Pre-Trip Information you can view:

- Country, health, & travel information
- Visa, immunization, & inoculation recommendations
- Travel guides & cultural tips

Our Operations Center is open 24/7 with coordinators available to assist you. Subscribe to our AssistAlerts for important travel notifications.

ASSISTANCE MADE EASIER

DOWNLOAD THE APP.

Download the Assist America Mobile app on Google Play or the App Store. Complete the process by entering your name and reference number to activate all features.
