Report of Independent Auditor

To the Board of Directors
Catholic Community Foundation of South Carolina
Charleston, South Carolina

Opinion

We have audited the accompanying financial statements of Catholic Community Foundation of South Carolina (the "Foundation"), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Foundation to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

CATHOLIC COMMUNITY FOUNDATION OF SOUTH CAROLINA

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

Note 1—Organization

The Catholic Community Foundation of South Carolina (the “Foundation”), a nonprofit corporation, was incorporated on May 2, 2017 pursuant to the South Carolina Nonprofit Corporation Act of 1994. The Foundation operates exclusively for the benefit of and to carry out the religious, educational, and charitable purposes of the Bishop of Charleston (the “Bishop”), a Corporation Sole, doing business as the Roman Catholic Diocese of Charleston (the “Diocese”), and its parishes, schools, and affiliated organizations.

Note 2—Summary of significant accounting policies

Basis of Accounting – The financial statements of the Foundation have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”). Accordingly, revenue is recognized when earned rather than when received and expenses are recognized when incurred rather than when paid.

Basis of Presentation – Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The Bishop may designate, from net assets without donor restrictions, net assets for an operating reserve and other reserves.

Net Assets With Donor Restrictions – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Cash and Cash Equivalents – The Foundation considers all highly liquid, temporary cash investments with a maturity of three months or less when purchased to be cash equivalents, except for the cash investments in the funds managed by investment companies.

Investments – The Foundation follows the provisions of Accounting Standards Codification (“ASC”) 958-320, *Not-for-Profit Entities, Investments*. Under ASC 958-320, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the statement of activities. Donor-restricted interest and dividend income are reported as increases in net assets without donor restriction if the restrictions are met in the reporting period in which the income and gains are recognized. Investment returns that are not donor restricted are reported in net assets without donor restriction.

Investment Return – Investment return consists of the interest income, dividend income, and the realized and unrealized gains/losses from assets classified as investments in the accompanying financial statements.

CATHOLIC COMMUNITY FOUNDATION OF SOUTH CAROLINA

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

Note 2—Summary of significant accounting policies (continued)

Contributions Receivable – Contributions receivable (pledges) are recognized as support in the period in which they are received. Contributions receivable are not recognized until the conditions on which they depend are substantially met. Unconditional contributions receivable that are expected to be collected within one year are recorded at net realizable value. Contributions receivable that are expected to be collected in future years are recorded at the present value of their estimated future cash flows, using a credit risk adjusted discount rate of return appropriate for the expected term of the promise to give. Amortization of the discounts is recorded as contribution revenue in accordance with donor restrictions on the contributions. An allowance for uncollectible contributions receivable is provided based upon management's judgment of such factors as prior collection history, type of contribution, and fundraising activity.

Contributions – Contributions are considered to be without donor restriction unless specifically restricted by the donors. Contributions that are restricted by the donors are reported as increases in net assets with donor restriction. When a restriction expires (that is, when the stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restriction are reclassified to net assets without donor restriction and reported in the statements of activities and changes in net assets as net assets released from restrictions.

Fundraising Activities – The costs of fundraising activities are reported in the professional and contracted services category and do not include management and general or other program costs of the Foundation. The costs of incidental fundraising activities conducted in conjunction with other program activities are not separately reported. Incidental fundraising costs are included in the related program expenditures of the appropriate functional category. The Foundation incurred expenses related to development and fundraising of \$213,431 and \$192,184 during the years ended June 30, 2022 and 2021, respectively.

Notes Receivables – Notes receivables are stated at amounts the Foundation expects to collect (unpaid principal balances less estimated allowances for doubtful accounts and present value discount) based on the Foundation's assessment of the financial stability of the respective debtors. Receivables determined by the Foundation not to be collectible are charged off against the respective allowances. An allowance was determined not to be needed for the years ended June 30, 2022 and 2021.

Income Taxes – The Foundation is exempt from federal and state income taxes under certain provisions of Section 501(c)(3) of the Internal Revenue Code and the South Carolina Code of Laws; therefore, no provisions for income taxes have been included in these financial statements.

The Financial Accounting Standards Board ("FASB") provides guidance on the Foundation's evaluation of accounting for uncertainty in income taxes. Management evaluated the Foundation's tax position and concluded that no uncertain tax positions exist that requires adjustment to the financial statements to comply with the provisions of this guidance.

Estimates – The preparation of the financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Areas requiring significant estimates include the allowance for doubtful accounts and the functional allocation of expenses. It is at least reasonably possible that the significant estimates used will change within the next year.

CATHOLIC COMMUNITY FOUNDATION OF SOUTH CAROLINA

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

Note 2—Summary of significant accounting policies (continued)

Recent Accounting Pronouncements Adopted – In September 2020, FASB issued Accounting Standards Update (“ASU”) 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. The standard requires presentation of contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash and other financial assets. It also requires a disclosure of disaggregated contributions of nonfinancial assets by category that depicts the type of contributed nonfinancial assets. This distinction will increase transparency of contributions recognized. This standard was adopted in fiscal year ended June 30, 2022, and no changes to the financial statements were required as a result of the adoption.

Recently Issued Accounting Pronouncements Not Yet Adopted – In February 2016, FASB issued ASU 2016-02, *Leases*. The standard requires all leases with lease terms over 12 months to be capitalized as a right-of-use asset and lease liability on the statement of financial position at the date of lease commencement. Leases will be classified as either finance or operating. This distinction will be relevant for the pattern of expense recognition in the statements of activities. This standard will be effective for Foundation’s year ending June 30, 2023. Management is currently in the process of evaluating the impact of adoption of this ASU on the financial statements.

Note 3—Functional expenses

Directly identifiable expenses are charged to programs and supporting services and have been summarized on a functional basis in the statement of activities. Expenses by function and nature consist of the following for the year ended June 30:

CATHOLIC COMMUNITY FOUNDATION OF SOUTH CAROLINA

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

Note 4—Cash and cash equivalents, liquidity, and availability of resources

Cash consists of interest-bearing checking accounts, savings accounts, money-market accounts, and certificates of deposit with a maturity of three months or less when purchased.

The Foundation places its cash and cash equivalents on deposit with financial institutions in the United States. The Federal Deposit Insurance Corporation covers \$250,000 for substantially all depository accounts. The Foundation from time to time may have amounts on deposit in excess of the insured limits. As of June 30, 2022, the Foundation had \$4,583,192 which exceeded these insured amounts.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Foundation considers all expenditures related to program and supporting services to be general expenditures. Financial assets available within one year as of June 30, 2022, without donor or other restrictions limiting their use, comprise the following:

	2022	2021
Cash and cash equivalents	\$ 4,805,778	\$ 4,116,558
Investments, net of funds held for others	8,111,157	6,079,800
Total cash, cash equivalents, and investments	12,916,935	10,196,358
Contributions receivable, net	5,309,674	8,363,869
Notes receivables	2,353,658	3,169,335
	20,580,267	21,729,562
Less amounts not available to be used within one year:		
Agency funds held in endowment for affiliates	(549,946)	(183,430)
Required to satisfy donor restrictions	(17,822,529)	(19,751,232)
Financial assets available to meet cash needs for general expenditures	<u>\$ 2,207,792</u>	<u>\$ 1,794,900</u>

The Foundation manages its liquidity by developing and adopting annual operating and capital budgets that provide sufficient funds for general expenditures in meeting its liabilities and other obligations as they come due. Actual performance is reported and monitored monthly in comparison to the budgets. Adjustments are made to plan as needed to ensure adequate liquidity. As part of the liquidity management plan, cash balances are invested in short-term investments.

Note 5—Contributions receivable and the Bicentennial Campaign

Campaign Overview and Case Statement – In April 2019, the Diocese launched the Bicentennial Campaign (“BCC”) as an intentional effort designed to strengthen existing Diocesan programs, parishes, and missions, while taking strides toward sustaining and growing the Diocese into the next century. The BCC target for total funds raised is \$60,000,000 to be conducted in four phases from April 2019 through July 2020. The solicitation phase of the campaign was extended to July 2021 due to the impacts of the coronavirus disease (COVID-19).

The BCC solicits contributions and pledges through parishes within the auspices of the Diocese with each parish’s target being based upon 105% of the average annual offertory collected over the past three fiscal years ended June 30, 2017, 2016, and 2015. Parishes serve as solicitors in the BCC and appeal to parishioners to make pledges to support the Diocese, parishes, schools, and Catholic ministries in the state of South Carolina.

CATHOLIC COMMUNITY FOUNDATION OF SOUTH CAROLINA

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

Note 5—Contributions receivable and the Bicentennial Campaign (continued)

As an extraordinary effort on the part of the Diocese to strengthen the Catholic Church in the state of South Carolina, the BCC has an established case statement to ensure that the funds raised are utilized most effectively within the Diocese. The BCC case for support is broken down as follows:

- **Strengthening Our Parishes and Missions — \$30,000,000**
 - Enhance parish-level ministries to share the Gospel more effectively
 - Acquire property in high-growth areas to ensure the future of the Church
 - Strengthen the financial position of our parishes and missions
- **Forming Catholics to Believe in the Gospel — \$19,000,000**
 - Catholic School Tuition Assistance
 - Seminarian Education Fund
 - Hispanic Ministry Endowment
 - Formation Ministries Endowment
 - Continuing Education for Diaconate & Lay Leaders
 - Facilities Endowment
- **Living the Gospel through Social Outreach — \$11,000,000**
 - Social Ministries Endowment
 - St. Clare's Home
 - Clean of Heart
 - Outreach Program Fund

The Board of Directors authorizes the use of funds from the BCC for use in the case elements identified above.

Parish Sharing – Each parish participating as a solicitor in the BCC shares in the proceeds of the campaign through a sharing arrangement. Solicitors participating in the standard campaign will receive 50% of what is raised from its parishioners to be allocated to its own local case up to the parish target. The remaining 50% will be allocated to the Foundation, for the benefit of the Diocese. Parish sharing is calculated based upon cash received, not contributions receivable. Above the parish target, each solicitor will receive 75% of what is raised from parishioners with the Foundation being allocated the remaining 25%. Once a standard campaign solicitor reaches 125% of its parish target, the parish will receive 100% of all amounts collected beyond 125%.

Parishes can optionally conduct a combined campaign instead of a standard campaign in instances where parish leadership believes that an urgent and significant local need exists. All combined campaigns are required to be approved by the Diocesan Parish Target Review Committee and must be conducted in 2018, 2019, and 2020. Combined campaigns require the parish to pursue a local goal two times (or more) of the standard campaign target, receive approval as noted above, guarantee the Foundation's 50% share of the parish target, and participate in the established Diocesan planning and building process.

Amounts for parish sharing estimated by management to be due to parishes on pledges not yet collected are presented in the statements of financial position as a reduction of contributions receivable. Amounts due to parishes for parish sharing on amounts collected are presented in the statements of financial position as a part of due to affiliates and amounted to \$1,954,748 and \$2,264,282 at June 30, 2022 and 2021, respectively. The Foundation remitted funds to parishes in the amount of \$6,827,454 and \$7,616,653 for the years ended June 30, 2022 and 2021, respectively.

Campaign Expenses – The Foundation has developed a budget for the BCC which includes fundraising counsel, professional services, the design and production of campaign materials, educational brochures, travel, mailings, postage, administrative expenses, and other expenses. These costs are expenses incurred by the Foundation after all parish sharing amounts have been paid.

CATHOLIC COMMUNITY FOUNDATION OF SOUTH CAROLINA

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

Note 5—Contributions receivable and the Bicentennial Campaign (continued)

Contributions – Parishioners have the option to participate in the BCC through outright gifts or contributions that are recognized as contributions as received.

Contributions Receivable – Most promises to give are designated sums for the BCC to be paid and collected over a five-year period with payments made at the parishioner's option on a monthly, quarterly, semi-annual, or annual basis. Parishioners may elect to make a promise to give over a period shorter than five years at their discretion. Donors are able to restrict their gift to one or more of the Diocesan case element(s) if the gift exceeds \$100,000. Gifts made as a promise to give over a period of time are restricted to the purposes described in the BCC case statement. Management estimates an allowance for uncollectable contributions receivable as described in Note 2. The discount rate used for contributions receivable was 4.00% and 2.25% at June 30, 2022 and 2021, respectively.

The contributions receivable collectable in future years as of June 30, 2022 are as follows:

2023	\$ 3,416,950
2024	2,036,247
2025	767,346
2026	164,667
2027	276,194
	<hr/>
Total uncollected promises to give	6,661,404
Less allowance for uncollectible promises	(981,476)
Less net present value discount	(370,254)
	<hr/>
	\$ 5,309,674

Note 6—Notes receivable

Notes receivable consist of amounts due from parishes under the auspices of the Diocese that are participating in the Diocese's BCC as described in Note 5. These notes are due from parishes and the promissory notes are designed to conform to the timing and goals of the BCC. All notes are unsecured and non-interest bearing. A present value discount of 4.5% has been applied to recognize the time value of amounts to be paid over time with the present value discount accreted over time.

A note receivable is defined as impaired when, based on current information and events, it is probable that a parish will be unable to pay all amounts due under the contractual terms of the promissory note. The Foundation does not generally evaluate notes for impairment, unless there is an event that arises that brings in to question a parish's ability to pay. Those notes are evaluated for impairment on an individual basis, as needed. Due to the relationship of the parishes and schools with the Diocese and the Foundation, notes are very seldom uncollectible.

Note 7—Investments and funds held for others

In accordance with ASC 820, *Fair Value Measures and Disclosures*, the Foundation's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 – Quoted prices in active markets for identical assets or liabilities.

Level 2 – Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The Foundation's investments are valued at fair value under Level 1 inputs at June 30, 2022 and 2021.

Investments held by the Foundation and funds held for others, along with their cost, fair value, and net unrealized gain at June 30, 2022 are as follows:

	<u>\$ 17,822,529</u>	<u>\$ 19,751,232</u>

Note 10—Endowments

The Foundation's endowments consist of one fund established for the benefit of a Catholic school. The endowments includes donor-restricted endowments funds. As required by U.S. GAAP, the net assets associated with the endowments are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law – The Foundation has interpreted the state of South Carolina's enacted version of the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") as requiring the preservation of the fair value of the original gift, as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. At June 30, 2022 and 2021, there were no such donor stipulations. As a result of this interpretation, the Foundation retains in perpetuity (a) the original value of initial and subsequent gift amounts (including promises to give net of discount and allowance for doubtful accounts donated to the endowment and (b) any accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added. Donor-restricted amounts not retained in perpetuity are subject to appropriation for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Foundation considered the following factors in making their determination to appropriate or accumulate endowment funds:

1. The duration and preservation of the funds
2. The purpose of the donor-restricted endowment fund
3. General economic conditions
4. The possible effect of inflation and deflation
5. The expected total return from income and appreciation of investments
6. Other resources of the Chancery
7. Investment policies of the Chancery

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

Note 10—Endowments (continued)

The following tables present the Foundation's endowment net asset classification and composition. Endowment net assets composition by type of fund at June 30, 2022:

	Without Donor Restriction	With Donor Restriction	Total
Donor-restricted endowment funds	\$ -	\$ 7,952,039	\$ 7,952,039
	\$ -	\$ 7,952,039	\$ 7,952,039

Endowment net assets composition by type of fund at June 30, 2021:

	Without Donor Restriction	With Donor Restriction	Total
Donor-restricted endowment fund	\$ -	\$ 1,235,584	\$ 1,235,584
	\$ -	\$ 1,235,584	\$ 1,235,584

Funds with Deficiencies – From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Foundation to retain as a fund of perpetual duration. No such deficiencies existed at June 30, 2022 or 2021.

Strategies Employed for Achieving Investment Objectives – The Foundation follows an investment policy with long-term growth as the main objective. The Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation utilizes a diversified asset allocation, with greater emphasis on equity-based investments, to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy – The Foundation has a policy of appropriating for distribution each year, as determined by the investment committee and approved by the Bishop, 4% of its endowment funds average fair value over the prior 36 months (or since inception, if shorter) as of June 30 (measurement date) each year and allows spending from underwater endowments. In establishing these policies, the Foundation considered the expected return on its endowment. Accordingly, the Foundation expects the current spending policy to allow its endowment to maintain its purchasing power by growing at a rate equal to planned payouts. Additional real growth will be provided through new gifts and excess investment return.

As a community foundation, the Foundation holds and manages endowments for the benefit of Diocesan entities. The Foundation owns and controls these endowment funds and spending on these funds is governed by an endowment fund plan. Certain endowment fund plans may allow for distributions of up to 20% of fund principal for the stated purpose in the plan, but only in the event of extraordinary need, emergency or other crisis. Distributions of principal are subject to the approval of two-thirds of the Foundation Board, the Pastor, and the Bishop.

Note 11—Related party transactions

The Foundation operates as the community foundation and fundraising vehicle of the Diocese. The Chancery provides management services to the Foundation for accounting, administrative, and other essential services at no charge. Expenses paid by the Chancery on the Foundation's behalf are recorded as expenses on the Foundation's statements of activities as expenses when incurred, with amounts due to the Chancery (due to related parties on the statements of financial position). For the years ended June 30, 2022 and 2021, expenses related to these expenses paid by the Chancery on the behalf of the Foundation totaled \$838,954 and \$3,593,423, respectively. Amounts due to the Chancery at June 30, 2022 and 2021 were \$545,389 and \$179,784, respectively. Amounts due to the Chancery are repaid from time to time at the discretion of management.

As described in Note 5, the Foundation is serving as the fundraising arm of the Diocese for the BCC launched in 2019. As part of this campaign, parishes have the option to participate in the BCC as part of standard or shared campaign, both of which result in portions of amounts collected as contributions and promises to give due back to the parishes as part of parish sharing. These amounts are recorded as a liability to the parish as described in Note 5 and were \$1,954,748 and \$2,264,282 at June 30, 2022 and 2021, respectively. These amounts are included in funds held for others on the statements of financial position.

CATHOLIC COMMUNITY FOUNDATION OF SOUTH CAROLINA

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

Note 11—Related party transactions (continued)

In its capacity as the fundraiser for the BCC, the Foundation's Board of Directors will from time to time make grants in accordance with the BCC's case for support as detailed in Note 5. Grants made to the Diocese and Catholic Charities amounted to \$79,014 and \$229,248, respectively, during the year ended June 30, 2022. Grants made to the Diocese and Catholic Charities amounted to \$2,697,795 and \$535,000, respectively, during the year ended June 30, 2021.

As described in Notes 7 and 8, the Foundation manages investments for various parishes, schools, and other organizations within the Diocese. These funds are held in trust and all investment related gains or losses are reflected as changes in funds administered for related parties. At June 30, 2022 and 2021, the Foundation held amounts due to parishes or schools for stock proceeds in the amount of \$4,557 and \$3,646, respectively. These amounts are included in due to related parties on the statements of financial position.

Note 12—Subsequent events

The Foundation has evaluated subsequent events through April 20, 2023, which is the date these financial statements were available to be issued.
