

Alexanders to Peru

And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also. -2 Timothy 2:2

Hello, prayer partners!

Hello from sunny Wisconsin! It's hard to believe we're already at the end of August of this year.

We were in Maine at the beginning of this month presenting at a church David knew from travelling with a singing team in college. Reconnecting with the church was a blessing.

From there we went to visit family for a week, before spending the second Sunday at one of our supporting churches. They recently completed a long pastoral search, and we were able to rejoice with them as we got to meet a new co-laborer.

We spent the third week at God's Adventure Camp in Pennsylvania. Hannah's family have run the camp for a long time, and getting to join them in a week of ministry was a blessing. We were able to help with a day camp

for littler ones, as well as a retreat to kick off the school year for the Christian school.

We spent the next couple of Sundays visiting churches in Indiana and making those connections close to home. We are blessed to be surrounded by like-minded churches and fellowshiping believers.

This final week has us in Wisconsin visiting a church with several college friends attending. From here, we zig-zag between Ohio and Wisconsin for the next few weeks- all close to home in Indiana.

We are praising God for many things we've been praying about. We've reached 30% of our needed support. Praise God for new partners.

This month we've been able to visit both Hannah's family in PA and David's Aunt&Uncle in New Jersey. Seeing family along the way is always a blessing.

David has had good success sticking to his diet, even with all the travelling we've been doing. Praise the Lord for the small victories!

We would ask prayer for a few things: The home we're staying in with David's mother is in need of some renovation. We are trying to help her do that while we are still here. Please pray God will give wisdom and direction about how much and when to do things.

Some of you have at various times noticed David's skin issues. We have tried a few things to fix the problem, and are trying a few more. It's a minor issue, but inspires concern from folks. Please pray we can address it and figure out what works to help.

We are grateful for your prayers and support. 30% in our financial support represents so much more in prayer support. Thank you so much!

We thank God for each one of you.
