And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also. -2 Timothy 2:2

Hello, prayer partners!

We send our greetings from Camp CoBeAc, Michigan. February has gone quickly, but it's been a full month of ministry. We're grateful for what God has done in this month.

The first week of February saw us headed to New Hampshire. It was cold, but the church was warm, and the people kind.

The second week we were in PA near Hannah's family. In fact, this month, they were our headquarters rather than Indiana. We've been grateful to spend the time with them.

We were back up north in Maine the third week. This was a delightful Sunday spent with a church we'd visited on a Wednesday night on our last trip out East. Praise the Lord for their persistence in getting us back in!

The last week saw us heading down to Cleveland for a weekend with a church there. It was a refreshing time with a missions minded church.

March will take us to Michigan, North Carolina, and then back home after nearly 2 months on the road. We are looking forward to God's blessings in this coming month.

We are praising God for many things we've been praying about.

We've reached 43% after a new partner has joined us this month! Praise the Lord for His continued provision of partners and funds.

Thank you for praying for David's voice to return. It's still a bit rough, but mostly back, and we praise the Lord for sustaining him through sickness.

February has been cold and snowy, and the roads icy and slick, but we have had safety as we put 4k miles on the vehicle this last month. Thank God for His protection!

We would ask prayer for a few things:

We are continuing to travel this month, and we start the month off with 2 conferences; there are many chances to learn, and we're praying God will continue to grow us.

The latter part of March is largely empty; please pray the calendar will fill, as always. We are also working on scheduling into the summer; this process has gone slower this year so far. Please pray the Lord would continue to send us the contacts He has for us.

We have had the opportunity this month to help support one of our supporting churches through a deeply difficult situation. They are now in a pastoral search as a result of this situation; we would ask prayer for them as they seek the man God has for them. The health of the churches that partner with us is a something we pray about regularly.

In fact, we are keenly aware that as go our partners, often so goes our ability to minister effectively. Several of you send updates to us, and we're grateful to know how God is working in your churches and in the lives of the members. Thanks for that connection.

We thank God for each one of you.
