## **Funding**

Government funding is intended to deliver 15 or 30 hours a week of free, high quality, flexible childcare. The 15 or 30 hours must be able to be accessed free of charge to parents. There are not any mandatory charges for parents in relation to the funded hours. Please note - Government funding is not intended to cover the costs of meals, other consumables, additional hours or additional services.

We provide up to 15 hours free care per week, term time only or 11 hours per week 52 weeks per year, for those children eligible over a minimum of 2 days.

We provide spaces for those eligible for 30 hours funding, this can be used term time only, or spread over a full year and used as 22 hours per week.

Government funding is only used to cover the cost of funded hours, of high-quality flexible childcare only, it is not to cover other costs such as meals, additional hours, services, or consumables.

We cover a range of sessions for families where they can choose to use their funding entitlement.

There is a notice period of 4 weeks should parents wish to make changes to the way they use their funded entitlement.

The free entitlements will be delivered consistently so that all children accessing any of the free entitlements will receive the same quality and access to provision, regardless of whether they opt to pay for optional hours, services, meals or consumables.

A maximum of a 10-hour day will be used.

Only 2 settings are accessed in 1 day.

More information on funding can be found [www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk)

## Our Consumable Charge

We are required to deliver the funded entitlements consistently, so that all children within a setting accessing any of the funded entitlements receive the same quality and access to provision regardless of whether they choose to pay for voluntary hours, extra voluntary services, meals or consumables. The reference to quality refers to the Early Years Foundation Stage (EYFS) Statutory Framework which is mandatory for all early year's providers in England and sets out the standards that must be met to ensure that children learn and develop well and are kept healthy and safe. Our optional services and activities are not directly related or necessary for the effective delivery of the EYFS statutory framework.

We charge an optional consumable charge at the rate of 50p per funded hour for those aged 9 months and above. This optional charge covers the costs of services and activities which is broken down in 3 areas; Non-Food, Food and Services/activities.
