

LITTLE FOOTSTEPS CHILDCARE

Our Vision

'The nursery that helps little feet take big steps'

Little Footsteps Childcare provides quality affordable childcare for the local community. Quality childcare brings benefits for the whole community; enabling parents to return to work and combine employment with family life, enabling employers to retain and recruit employees from the local community.

Here at Little Footsteps, we encourage all children to grow and thrive. Giving the best start to life. All activities are carefully planned and delivered following the Early Years Foundation Stage Framework. Ensuring we meet every child's individual needs. We are committed to providing outstanding Early Years provision based on high quality play experiences. Our services will be delivered in an inclusive, safe, caring and stimulating learning environment, where children can grow and thrive.
