

# 8-Day Classic Kite Safari Program

## Day 1 - Arrival + First Kite at the Fort

Arrive at Manda Island. Our team welcomes you and transfers you by boat to your beachfront lodge. After check-in and a light lunch, enjoy your first kite session at the nearby flatwater spot by Lamu Fort.

## Day 2 - Dhow Adventure to Manda Toto

After breakfast, sail on a traditional Swahili dhow through mangroves to Manda Toto. Enjoy lunch on board and kite in turquoise waters until late afternoon. Return at sunset.

## Day 3 - Wave Spot at Takwa Bay

Today we boat out to Takwa Bay, an open sea wave spot outside the mangroves. Intermediate to advanced riders can enjoy long wave sessions with full support.

## Day 4 - Rest & Prepare for Downwinder

Relax in the morning or take a mellow kite session. After lunch, prepare gear and begin a guided downwinder to your second lodge. Non-kiters travel by boat.

## Day 5 - Remote Sandbanks & Kite Bars

Explore glassy flatwater around sandbanks or soft waves beyond the reef. Enjoy casual beach bars or shaded rest areas between rides.

## Day 6 - Custom Kite Experience

Freestyle, wave riding, or a boat-supported downwinder - the choice is yours. Optional seafood grill or sunset sail available.

## Day 7 - Final Full Kite Day

Enjoy your last full day on the water. We'll choose the best spot based on conditions. End the day with a farewell toast or beach bonfire.

## Day 8 - Departure

After breakfast, a private boat takes you to Manda Airport with crew assistance for check-in.
