A Night to Remember: Celebrating 20 Years of Impact

For 20 years, the BC Hospitality Foundation has supported the people who make British Columbia's hospitality and tourism industry what it is. The Foundation has provided financial assistance during times of need and helped strengthen the industry through care, connection, and community.

To mark this milestone, the BC Hospitality Foundation is hosting a 20th Anniversary Celebration Fundraiser that brings the hospitality and tourism community together to celebrate past impact and raise essential funds for future beneficiaries.

The evening will feature outstanding food and beverages, a live auction, and a paddle raise designed to generate meaningful support. It will be a high-energy, purpose-driven event that reflects the industry's generosity and spirit.

The night will be emceed by Fred Lee, whose engaging style and strong connection to the hospitality community make him especially effective at inspiring generosity in the room.

Why Sponsor This Event

Sponsorship is an opportunity to align your brand with a trusted organization that directly supports hospitality professionals in British Columbia. As a sponsor, you will gain visibility among industry decision-makers while demonstrating leadership, community commitment, and care for the people behind the industry.

This celebration is not just an anniversary, it is a powerful moment to invest in the future of hospitality.
