Employee assistance program (EAP)

We recognize that stress management is an essential factor in wellness, which is why we offer many forms of wellness assistance to employees. EAP gives employees and their immediate families 24/7, no-cost access to licensed counselors who can provide support on issues such as work-life balance, parenting, childcare, elder care, divorce, financial services, and legal services.

Transportation spending accounts

This plan allows employees to set aside money through pre-tax deductions from paychecks to pay for qualified workplace mass transit and parking expenses.

Employee discounts

PerkSpot discount program

PerkSpot is a personal online savings resource available to all employees. Users can find discounts and rebates on goods and services from many of the best-known brand names in the U.S.—online and offline, nationally and locally.

Auto and home insurance

Kelly employees may have access to low, competitive group insurance rates that are not available to the general public. That means employees could save hundreds on auto and home insurance.

Educational discounts

Kelly partners with leading educational institutions in the U.S., including the University of Phoenix® and DeVry University®, to offer tuition savings, fee waivers, and flexible payment programs for all employees.
