

Impact Experiences @Nourish Eco Village - South Africa

Just outside Kruger National Park, Nourish Eco Village offers immersive tours that let you connect with local culture, community, and conservation. Join us for a meaningful experience where every visit supports real, sustainable impact—we'd love to welcome you!

Nourish Immersive Tour

Our hands-on experience takes you into the heart of our Eco Village. Guided by our passionate team member, you will explore our farm, harvest seasonal vegetables, engage with children through play and reading at the crèche, learn traditional crafts like beading or recycled jewelry-making, and help our "grannies" preparing daily meals. You'll also get a glimpse into our environmental education programs.

Availability: Monday to Friday
Tour Duration: Flexible (2 to 4 hours)
Starting times: from 9.AM to 1.PM
Booking Notice: Please book at least 24 hours in advance
Tour Notes: Activities may vary depending on the season and ongoing projects at Nourish.

Village Walking Tour

Join our guided village walk led by a local community member and explore Shangaan culture through traditional beliefs, folklore, mat weaving, and a visit to a local healer (Sangoma). Enjoy homemade peanut butter and artisanal beer, then share a local meal seated on a handwoven mat. The tour begins at Nourish Eco Village and ends with a relaxed walk through our community projects.
