

AT OUR CORE

HOLISTIC CURRICULUM

Building strong foundations in literacy, numeracy, environmental awareness, and social skills.

NUTRITION & WELLBEING

Two daily meals and healthy snacks, actively combating malnutrition.

EMPOWERED EDUCATORS

Continuous teacher training to ensure high-quality, impactful learning experiences.

Only about half of children in rural areas have access to quality ECD programs

OUR SOLUTION

Investing in our children's earliest years to build brighter futures.

The first six years of life shape children's cognitive, emotional, and social futures. Yet limited access to quality Early Childhood Development (ECD) traps many in a cycle of poverty.

RISE Creche in Sigagule Village, near Hoedspruit, is changing this narrative —providing a safe, vibrant, and nurturing environment for children aged 6 months–6 years, laying foundations for lifelong success.
