

Volunteer & Intern Opportunities at Nourish Eco Village

Located in South Africa's Lowveld near Kruger National Park, Nourish Eco Village offers immersive volunteer and internship opportunities that make a real difference in conservation and community upliftment. Programs align with the UN Sustainable Development Goals and support the spirit of Ubuntu — 'I am because you are.'

Programs & Impact Areas

Green Kidz – Environmental Education

- Teach local children environmental awareness
- Run after-school clubs and field trips
- Focus areas: literacy, recycling crafts, kindness to animals

Agricultural Entrepreneurship

- Support agri-processing and farm-to-product development
- Train in agro-ecology and food security programs
- Help produce items like pickles, hot sauce, gluten-free flour

Eco Building & Recycling

- Build playgrounds and green structures using recycled materials
- Create community veggie gardens
- Lead workshops on eco-building techniques

Early Childhood Development – Rise Educare

- Work with vulnerable children aged 0–6
- Support play-based learning and sensory integration
- Help deliver 3 daily meals and basic education

Eco Village Management & Social Enterprise

- Gain experience in nonprofit management
- Contribute to hospitality, agroecology, sewing, recycling
- Support marketing and social media efforts

Life at Nourish

- Programs run Monday to Friday, 8am–4pm.
- Accommodation, meals, WiFi, and weekly town trips included.
- Cultural village tours and immersive local experiences.
- Optional weekend excursions: Kruger safaris, canyon tours, hikes, and more.
