Student of the Month

Ethan Dickens

Ethan Dickens is our January Student of the Month. Ethan is the son of Jeanne and Vince Dickens. He is a freshman at Grissom High School in Huntsville, Alabama. He has been a long time guitar and piano student at Hawthorne Conservatory. Ethan's favorite composer is Franz Liszt and his favorite guitar composition learned with Gabe Larose is Invention No. 13.

Gabe Larose says that "Ethan has progressed quickly within the past year expanding his knowledge of many guitar styles. He has become accomplished at strumming chords, playing rapid single notes pieces, harmony riffs, and even fingerstyle. We are adding some classical fingerstyle technique, especially with the Christmas repertoire."

Huntsville Music Study Club Festival

Hawthorne Conservatory will be sending the largest number of students to the festival this year!
