

Your Checklist

For Floor Cleaning Compliance

Note: It's your responsibility to ensure your floors are maintained to the required hygiene and cleanliness standards. This checklist is here to help you stay on top of key areas and identify any potential gaps. If any of the items are not in place, please get in touch with us as soon as possible so we can support you in bringing everything back up to standard.

What do I need to check?

- Carpets are visibly clean with no embedded dirt or staining*
- Floors are free from grease, grime, and residue build-up*
 - Cleaning frequency reflects actual building usage*
- Cleaning is being completed to a documented schedule*
