Bedford Athletic Club (BAC)

Age Group Chart

Birth dates by age group for the 2026-27 and 2027-28 seasons

Find the row with your child's date of birth. BAC travel age groups follow the seasonal year, August 1 to July 31, the same as NHSA, NHSL, US Youth Soccer and US Club Soccer, so a child's age group can differ from their school grade. Players move up one age group each August.
