

# SAVE America Act

## Citizen Pledge

---

Congress, it's time to take action to stop noncitizen voting.  
We stand for election integrity and demand the United States  
Senate pass the SAVE America Act (SI383).

We pledge our support and call on Senators to require:

- Proof of citizenship to register to vote
- Voter ID for federal elections
- Stronger protections for accurate voter rolls

We call on the Senate to pass the SAVE America Act and to send  
it promptly to President Trump for his signature into law.
