

ST FRANCIS XAVIER CATHOLIC SCHOOL

Dear Families,

We are excited that you are interested in our school family and look forward to meeting you! We are a Catholic School open to a 10-week-old child through the 8th grade.

St. Francis Xavier School is an educational institution built on a strong heritage that challenges us to high expectations in Christian values as well as in academic areas. We work together as a school and parish to educate the body, mind, and spirit by worshiping God and serving others. We feel that our parents are the primary educators of their children. Through our faith, school, and parental involvement, our students will be nurtured to be lifelong contributing members of the church and society.

If you feel this a good fit for your child, feel free to email the principal, Jessica Hopkins, at principal@stfxsikeston.org or call the school office at (573)-471-0841 to ask any questions or schedule a tour. Below is a list of documents needed if enrolling.
