

CUSTOMER SERVICE BY THE TON

We are a locally-owned business in Middle Tennessee focused on providing the best customer service and planning capabilities for steel erection, crane rental and rigging projects. Since 1965, we've helped our customers meet the toughest project schedules and achieve their ROI goals.

WHAT WE DO

STEEL ERECTION

Our pre-planning capabilities and workmanship make us the #1 steel erection provider in the area.

CRANE RENTAL

Choose from 15-Ton carry deck cranes to 110-Ton hydraulic cranes, all locally owned and operated.

RIGGING

Let Sentry rigging services and equipment help you move machinery on your schedule.
