2021 Annual Report

# 2021 ACHIEVEMENTS

Dear Friends,

As we look back on 2021, we are truly grateful to all our supporters, friends, and volunteers who helped the Kalmar Nyckel Foundation navigate this year of transitions. We are proud of how KNF has addressed pandemic challenges and adapted to the needs of our constituents. We reached 16,000 people with our programs last year and, with great determination, moved our education mission forward.

- The ship sailed and voyaged safely with our volunteer crew in Delaware, New York, Pennsylvania, and Maryland, reaching **7,000 passengers and tourists**.
- We taught **3,600 school children** and **1,400 adults** with new interactive Virtual Field Trips and in-person programs. The Flagship Field Trip Fund was established to provide education programs for all Delaware students at no cost in the 2021-2022 academic year.
- We reached **4,100 visitors** through community events and outreach programs including our *Captain Kidd's Pirate Adventure Days* for underserved youth.
- Our reimagined *Virtual* LEGO Shipbuilding Contest drew **181 entries** and **850 viewers**.
- A new permanent exhibit, *DESTINATION DELAWARE*, which interprets Fort Christina, Finnish log cabins, and the New Sweden Frontier opened in October.
- The King Neptune Gala attracted **230 guests** and netted a record of **\$132,000**.
- *Föreningen Kalmar Nyckel* ("Friends of Kalmar Nyckel") was launched in Sweden to preserve and support our shared cultural and maritime heritage.

Throughout 2021, we were steadfastly focused on our mission while keeping our team safe and healthy. We hope this Annual Report will give you a good understanding of our past year.

As we continue our voyage, we invite you to join us on ship or shore!

With our gratitude,

*Cathy Parsells*      *Andrew T. Cloud*

## VOLUNTEER OF THE YEAR

Our 2021 Volunteer of the Year, **Elaine Autry**, began her Kalmar Nyckel Foundation journey by completing crew training in 2005. Unfortunately, she didn't have much time to sail at first. But in 2013, Elaine took our crew retraining program and began to sail more and volunteer with our maintenance program. When she retired from teaching elementary school a few years ago, she reignited her involvement and started teaching our education programs to students on ship and shore.

Elaine logged an impressive 1,063 hours for KNF in 2021 alone; and her lifetime total is over 6,400 hours. She is a steadfast sailing crew member, not only on Christina River cruises and education sails, but also on voyages. She's a mentor for KNF's crew training classes, helps manage KNF private rental events, and is learning rigging skills. She even recruited her granddaughter to join the crew last year! **Please join us in congratulating Elaine.**

## Ship Facts

- ◆ 2,400 nautical miles sailed per season\*
- ◆ 8+ ports of call per season
- ◆ 200 volunteer crew
- ◆ 141 feet sparred length
- ◆ 93 feet length on deck
- ◆ 106 feet tall
- ◆ 8 sails and 8 miles of rope

Our loyal crew.

# 10,000 VOLUNTEER HOURS EARNS A PLACE ON OUR STERN

## FOUR ANGEL HEADS AWARDED IN 2021

What do **John Marcone, Bob Morgan, Colin McGowan, and Jim Scarborough** all have in common? They were the most recent KNF volunteers to receive the epic 10,000 Volunteer Hour Award and were honored at the annual volunteer appreciation party in December 2021. For this great commitment, an “angel head” custom carving of each of their likenesses will be mounted on Kalmar Nyckel’s stern for two years.

These dedicated volunteers, each with their own stories and skills, have spent years participating in KNF programs. John Marcone began his volunteer crew training 21 years ago and Colin McGowan started in 2000. Jim Scarborough has been volunteering at KNF for 17 years and Bob Morgan started 11 years ago.

Our 2021 honorees join a tradition of 10,000-hour volunteers that include our first five: Taylor Fiederlein (with a record 18,200 lifetime hours), Bill Hutchison (14,200 hours), Fred Litcofsky (10,622 hours), Robert Livingston (15,850 hours), and Nigel Veater (11,058 hours). In 2019, we honored two more 10,000 volunteers, Tony Bosworth and Gary Deshong.

These volunteers have given time on our ship, in our workshops, and in the shipyard -- from sailing and delivering fine woodworking projects to rigging the ship and sanding and scraping its hull. They have also supported our education programs and other key parts of KNF operations and leadership. No job is too small or difficult -- and we are forever indebted to them! KNF has 200 active volunteers who are guided by our professional officers and mates to sail and maintain the Tall Ship of Delaware each year. **We offer our gratitude and congratulations to all of our volunteers who gave their time and talent in 2021. We celebrate each of you!**

Our 2021 honorees (l. to r.) Bob Morgan, John Marcone, Jim Scarborough, and Colin McGowan received their carving at KNF’s annual Volunteer Appreciation Party in December.

## Flagship Field Trip Fund

Our Flagship Field Trip Fund launched with great success thanks to an anonymous leadership gift in support of our education mission. All K-12 Delaware students can receive fully-funded field trips during the 2021-22 academic year.

## Community Programs

### 3rd Annual Halloween Ghost Ship

Top: Visitors enjoyed our spooky indoor Halloween Ghost Ship, pumpkin painting, crafts, and ship tours thanks to our sponsors.

### Virtual LEGO Shipbuilding Day

Middle right: Our *Virtual* LEGO Shipbuilding Contest in March: Matteo Mucchetti's (age 8) winning *Kalmar Nyckel* kit design was built with Stud.io CAD software.

### Captain Kidd's Pirate Adventure Days

Right: Our new summer field trip program hosted local youth from Kingswood Community Center and Urban Promise at no cost on weekdays in July thanks to our sponsors.

## Historical and Cultural Programs

# FINANCIAL REVIEW

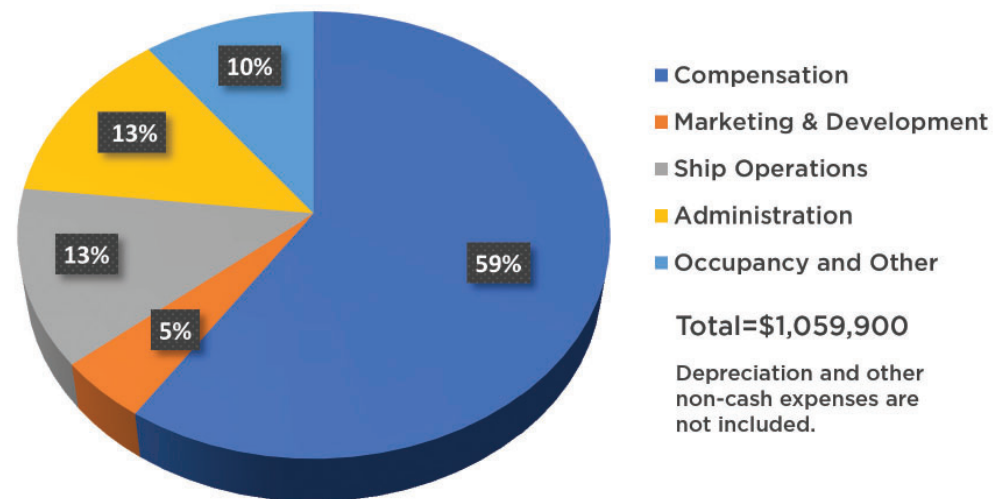

During the 2021 Fiscal Year (November 1, 2020, to October 31, 2021), KNF operated with a \$1.1 million annual budget and 23 employees (8 full-time; 15 part-time/seasonal). We were supported by 200 active volunteers who gave 24,900 service hours (valued at \$711,300) to sail and maintain our ship as well as to deliver educational programming in 2021. Overall, FY21 can be viewed as a transition year during which pandemic protocols required reduced capacities across all activities for the year.

KNF is a significant contributor to Wilmington's Christina Riverfront, with a 6.8-acre riverfront campus and more than \$15 million invested in the ship, Copeland Maritime Center, eight permanent exhibits, a new dock, and shipyard improvements.

## NAVIGATOR'S CIRCLE LAUNCHED

In November 2021, we launched our new Navigator's Circle to recognize donors who make gifts of \$2,500 or more to KNF in a given year. We are grateful to our new Navigator's Circle donors.

We are also very appreciative of our loyal Crown & Anchor Society members who give \$1,000 or more each year. As we grow and introduce new programs, the opportunities to help fund our plans continue to expand as well.

A heartfelt thank you to all our donors who supported the organization. Your gifts allow us to deliver on our mission and provide educational experiences on our ship and shore.

There are many ways to support our education mission and programs including field trip scholarships, new exhibit installations, classroom programs, ship maintenance needs, and more. To learn more about the many ways to give, please visit [KalmarNyckel.org/support](http://KalmarNyckel.org/support).

# 2021 KING NEPTUNE GALA

We are grateful to our generous sponsors, hosts, donors, volunteers, guests, and winning bidders who made our 14th annual King Neptune Gala such a huge success and helped us raise a record \$132,000. Our *Evening on the Christina River* brought us back together for a fun-filled evening as we honored Mayor Michael S. Purzycki with the King Neptune Award.
