

Features  
and benefits

Effortless WiFi

Control your spa functions easily using your smartphone or tablet through WiFi, allowing remote management from any location.

Ozone

Our Ozone sanitation system will reduce the water balancing products required to maintain spa sanitation. Making crystal clear water a breeze.

Filtration

2 x highly efficient blue filters guarantee the utmost cleanliness and safety of your spa water.

Acrylic and Cabinet

Our sought-after Fun Spa line features the widely favored Alpine white acrylic and the sleek Dark Grey maintenance free cabinet, adding style to any home.

Ambient lighting features

Welcome to the extraordinary world of dream time lighting, we curate an ambiance that stirs your senses and sets the perfect stage for an unparalleled journey of relaxation.

Water-level lights and large LED

Delve into deeper realms of tranquility with our water-level lights and large LED, casting a mesmerising radiance beneath the surface, where worries dissipate, and serenity envelops you completely.

Lockable Hardcover

Every Fun Spa is equipped with a standard lockable hardcover included with the package for added security and peace of mind.
