The following are important topics that we will assist you with:

**Death Certificates** - We complete and file the death certificate with the county Health Department. We then deliver Certified Copies to you. The Health Department charges $15.00 per copy, and Veterans receive the first 3 free of charge.

**Social Security** – The Social Security Administration is automatically notified at the time that we file the death certificate. We will assist you in determining what you will need to do in order to obtain your benefits and meet your obligations.

**Obituaries** - We will place obituary notices for you in any publication that you choose. They will charge according to the length of the notice and we will contact you with the charges for your approval before we commit to publication. We also have a free obituary service on our website with a guestbook and picture upload service.

**Prearranged or Prefunded Contracts** - We will honor any prefunded arrangement contracts that you may have in place. We also are able to offer prefunding options for our services.
