Payment Policy

As a funeral service leader, we practice transparency in everything we do. Financial discussions can be difficult at times and we understand that. We will be forthright and honest in communicating our payment policy. One of the ways we do this is by providing this document to every family we meet with.

We offer the following four payment options:

Option 1: Cash or Check

Option 2: Credit Card

Option 3: Insurance Assignment

Payment with assignment of a valid, verified insurance policy. We do not accept policies that cannot be verified, insurance policies under 2 years old which are contestable, or any work-related insurance that cannot be assigned.

A processing fee will be added to the assignment.

Option 4: Prepaid Funeral Plans

On a case-by-case basis, we may honor a prearranged funeral plan written at another funeral home.

Estates

Due to the uncertain time frame with estates, we will not invoice estates. If an estate is established, you will be responsible for the payment of the funeral expenses through one of the above payment options. You may then petition the estate for reimbursement for the payment of funeral expenses.
