

RCPA MAA Registry: AmeriBest

AmeriBest Home Care is dedicated to providing high-quality personal care services to valued members of our communities across Pennsylvania, including Philadelphia, Harrisburg, Allentown, Pittsburgh, Lancaster and Reading.

We are committed to providing high-quality, client-centered, and reliable home care services to our clients. We strive to create the peace-of-mind that all clients and their families deserve. Their personal care needs are carefully assessed and coordinated with their physician and our qualified, trustworthy, and compassionate staff.

Since 2008 AmeriBest has gained the trust of our communities and has not looked back. With a team of nearly 3,000 caregivers, dedicated to changing lives for our clients every day, it is no wonder we are one of the most respected and high-quality providers in the state of Pennsylvania. Our professionally trained caregivers receive excellent pay, comprehensive benefits, and continued non-stop support from our family-oriented team. So, they can just focus on providing the best care, and you can focus on spending quality time with your family

Business Profile

1. Financial Tax ID classification
AmeriBest Home Care is a for-profit Pennsylvania provider and part of TEAM Services Group.
2. History
AmeriBest is a Pennsylvania provider of home- and community-based care. AmeriBest is part of TEAM Services Group, the leading Home Care services provider in the country. TEAM Services Group was founded in 2015, and acquired AmeriBest in 2019.
3. Services
TEAM Services Group provides both Public Pay and Private Pay Home Care Services across all 50 states in the U.S. AmeriBest is TEAM's brand in Pennsylvania. The company provides Personal Care Services (PCS) in the state and serves individuals in programs related to OIDP and disability services. Our focus is supporting people to receive the care they need in their homes and communities.
4. Service geography
AmeriBest's focus is Pennsylvania, while TEAM Services Group has a national footprint. We are interested in Pennsylvania-based organizations and opportunities that fit AmeriBest's PCS, OIDP, and disability-services model.
5. Why you want to be part of the registry
We want to connect confidentially with Pennsylvania providers that may be considering a sale, affiliation, succession plan, or growth partnership. The registry is a useful way to identify organizations whose client population, service model, and mission align with AmeriBest.
6. Your philosophy on M&A
We look for partnerships that protect continuity of care, retain strong local relationships, and create a durable future for clients, caregivers, employees, and the organization.

TEAM's role is to bring experience, resources, and an established integration approach, while AmeriBest remains focused on the Pennsylvania care model and the communities it serves.

7. Previous M&A experience

TEAM has completed more than 100 home-care transactions. It has a dedicated M&A and integration team with experience evaluating, closing, and integrating home-care providers, including complex transactions. That experience gives AmeriBest access to a disciplined process and operating resources throughout a potential partnership.

8. Other agencies you have partnered with

Through TEAM, AmeriBest is part of a broader family of home-care operating companies that have been acquired or partnered with over time. TEAM's experience spans more than 100 home-care transactions and includes supporting locally established providers through transition, integration, and long-term growth.

9. Types of organizations you are looking to partner with

We are interested only in Pennsylvania-based organizations that provide PCS, OIDP-related services, disability services, or closely related home- and community-based care.
