Code Section/Title	New or Amendment	Recommended New or Revised Language	Reason for Change
55 Pa. Code Sec. 6100.1 Purpose	Amendment	(a) The purpose of this chapter is to specify the payment, program and operational requirements for applicants and providers of HCBS and services to individuals provided through base-funding. (b) This chapter assists individuals with an intellectual disability, developmental disability, or autism to achieve greater independence, choice and opportunity in their lives through the effective and efficient delivery of HCBS and services to individuals provided through base-funding.	Expanding the purpose of the 55 Pa. Code Chapter 6100 Regulations to include individuals with developmental disabilities. This change will align with who is eligible to receive services through Targeted Support Management and the Consolidated, Community Living, and Person/Family Directed Support Waivers.

55 Pa. Code Sec. 6100.2 Applicability	Amendment	(a) This chapter applies to HCBS provided through waiver programs under section 1915(c) of the Social Security Act (42 U.S.C.A. § 1396n(c)) for individuals with an intellectual disability, developmental disability, or autism. (b) This chapter applies to State plan HCBS for individuals with an intellectual disability, developmental disability, or autism. ... (d) This chapter does not apply to the following ... ~~(9) A vendor fiscal employer agent model for self-directed financial management service.~~ (9) The adult community autisms program that is funded and provided in accordance with the Federally-approved 1915(a) waiver program. ...	Expanding the applicability of the 55 Pa. Code Chapter 6100 Regulations to include individuals with developmental disabilities. Removing the exception for self-directed services for the vendor fiscal employer agent model of services as these services are proposed to be covered in new sections of 55 Pa. Code Section 6100.
